

Ready For Huskies

BOB HAWES, left, and ED HALBERG, right, are both dead-eyes when it comes to field goal percentages. Hawes, a senior, pulled the game out of the fire for Oregon when they tipped WSC, 75-73, last weekend. Halberg, product of Port Angeles, Wash., is Coach Bill Borchers' top scorer, and is currently ranked third in the Northern Division point race.

Nine More Teams On Wrestling List

Oregon's wrestling squad, with an even .500 record, goes through nine more matches before winding up the season on March 3. Included in this total are meets with Washington State and California.

Oregon faces its next competition this Saturday in Eugene, when Multnomah Athletic club comes down from Portland.

The remaining schedule:

- Jan. 16 Multnomah Club, Eugene
- 30 O. S. C., Eugene
- Feb. 3 W. S. C., Eugene
- 6 Lewis & Clark, Portland
- 13 O. S. C., Corvallis
- 15 O. T. I., Klamath Falls
- 20 Portland State, Eugene
- 27 California, Eugene

Sammies Win

Sigma Alpha Mu took a step forward in the intramural handball bracket, Tuesday, defeating Nestor hall, 3-0, in the opening handball match for both squads.

The Sammies won both singles matches handily, and took the doubles by forfeit.

Howard Sussman toppled Bob Crall, 21-12 and 21-9 in the first singles match; while Ron Sherman took two from Bob Wilbur, 21-4 and 21-1, in the other singles.

Halberg Top Man In Duck Records

Jumping Ed Halberg has a virtual monopoly on the Webfoot scoring columns after two weeks of Northern Division action. He leads in points scored, field goal averages, free throw averages, and field goals.

Max Anderson, sophomore pivot star who has come along fine in his first season of varsity ball, follows Halberg in the total scoring department.

The Webfoots, as a team, are rolling along at their top shooting percentage in history. In ND competition, the dead-eye Ducks are shooting away at a .428 clip, and also possess a .382 for the whole season.

Oregon scoring is very well balanced, with four of the regulars averaging 10 points or better. Halberg has a 16.7 mark; Anderson

owns a 12.7 average; Barney Holland is recording an even 11 points per game; and Captain Kenny Wegner has a 10.2.

Getting down to figures, Halberg connected on 75 percent of his shots over the weekend against WSC to boost his conference mark to .610. For the whole season it stands .516.

On the free toss line, he is even more deadly, missing only three gifters out of a possible 22.

Other field goal percentages over .500 in conference action are: Anderson, .520; Bob Stout, .500; and Jerry Ross, .545.

The Ducks worked out in McArthur court Tuesday afternoon, preparing an attack to use against the Washington Huskies who will trod into town for a pair of games this weekend.
