Screening Committee Gets ASUO Approval

The ASUO senate Thursday night passed a resolution establishing a screening committee for applicants for senate vacancies and major campus committee chairmanships.

The resolution was passed by a 16-4 vote after a lengthy debate. Bob Summers and Dick Bruce were the authors of the resolution, which will not be binding on future senates.

The resolution provides that the screening committee will meet when there are five or more applicants for a vacancy. The com-

mittee will screen the applicants to no less than two and not more than three candidates for a position.

Legality Questioned

The committee will be composed of two members of each party and the ASUO president. An amendment to the resolution also provided that names of those eliminated by the committee be given the senate with the reasons for elimination.

Ben Schmidt, one of the opposition leaders, called for a vote by roll call, and finally questioned the constitutionality of the measure. The new resolution will be referred to the ASUO constitution committee for a test of its legality.

Norm Webb, senior in political science, was selected by the senate to fill the senator-at-large vacancy created when Bob Funk was named ASUO vice-president. Other applicants for the post were John Vazbys, Harry Asch, Bob McCracken, Janet Ferris, Jeanne Scales and Don Bonime.

Investigation Ordered

Hollis Ransom moved that the senate go on record as disapproving the "third degree" tactics of verifying identification at basketball games. A committee was appointed to study the problem.

Donald DuShane, director of student affairs, told the senate the investigation was ordered by the department of internal revenue, and that the University athletic department had nothing to do with it.

Frosh 'Living' Rule Changed

Eugene freshman men who are affiliated with fraternities will be able to move into their fraternity at the beginning of spring term this year.

The change in the University's deferred living program was presented to fraternity house presidents at the Inter-fraternity council meeting Thursday night by Ray Hawk, associate director of student affairs.

Hawk called the change a "temporary relaxing" of the University regulation which prohibits freshmen from living in a Greek letter organization. No plans have been made to continue the policy next year, he said.

Administration Suggests

The move was taken to ease the manpower shortage of the smaller fraternities, Hawk stated.

Fraternities now require all Eugene affiliates to live at least one term during their sophomore year. The change would make it possible for Eugene fraternity affiliates to meet this requirement their freshman year.

The change was the outgrowth of a meeting of University officials including: Victor P. Morris, acting president; Donald DuShane, director of student affairs; Les Anderson, alumni secretary; J. O. Lindstrom, business manager, and Hawk.

2 Point Needed

Eugene freshman men will be allowed to move into a fraternity spring term only if they are already affiliated, Hawk said. The move may be made whether the freshman lives at home or in a dormitory.

Eligibility for the move must be cleared with the office of student affairs, Hawk stressed. The University will require a minimum 2.00 GPA of any freshman man who desires to move into his fraternity spring term.

The living in spring term will be optional for the Eugene freshmen, he added.

Rushing Altered

Although this is the first exception made to the deferred living program this year, Hawk pointed out that other exceptions are made from time to time. The University has permanently amended its deferred living policy to allow freshman who are veterans to move into a fraternity their first year.

Other business at the IFC meeting Thursday evening, included a change in open rushing policy and a constitutional revision.

All students with a cumulative GPA of 2.00 or above will be eligible for open rushing. Rushes have been required in the past to have a 2.00 GPA the previous term in addition to the cumulative 2.00 GPA.

The constitutional revision provides that the IFC president will take over the leadership of the IFC tribunal, judicial body of the organization, in the absence of the regular presiding officer, the IFC vice-president.

Mrs. Edna Stokes Has Heart Attack

Mrs. Edna Stokes, housemother at Carson hall, suffered a mild heart attack late Thursday evening and is now hospitalized at Sacred Heart, according to Mrs. Golda Wickham, dean of women.

Mrs. Stokes had spent the evening playing bridge at Hendricks hall with Mrs. Mildred McMahon, Hendricks housemother, Mrs. Antoinette Saabour, and Mrs. Katherine DePue, head residents at Alpha Xi Delta and Susan Campbell respectively.

"She was feeling better this afternoon," Mrs. Wickham said Thursday, "and should be out of the hospital in a few days." Mrs. Stokes' physician is Dr. William Fulson, an internal medicine specialist.

Visiting hours at Sacred Heart are from 2 to 4 p. m., Mrs. Wickham said. The question of who will serve as Carson's housemother during Mrs. Stokes' illness has not yet been decided, Mrs. Wickham added.

Deadline Extended For AWS Petitions

Petition deadline for AWS president, secretary, and treasurer has been extended to Monday noon. Petitions may be submitted to vice-president Jean Mauro at Alpha Chi Omega, or to president Judy McLoughlin at Carson 3.

Only juniors may petition for president, and sophomores for secretary and treasurer. The offices require an accumulative grade point average and a fall term GPA of 2.00.

Elections will be held Feb. 13 between two candidates for each office. The loser of the presidential election will be named vice-president.

No Arrests Made Yet In Exhibitionist Case

No arrests have been made in connection with current reports of exhibitionists about the campus, according to the Eugene police department.

Whether these incidents can be attributed to one person or more than one is unknown. The offender or offenders, has been described as anywhere from 20 to 30 years of age by various persons, the department reports.

A member of Alpha Delta Pi reported seeing an indecently-exposed man at the basement window of the house. She said he was wearing a gray top coat and appeared to be about 30 years of age. She also said he might have been wearing glasses. He escaped before the police arrived.

The basement window faces a dark alley between Alpha Delta Pi and Alpha Gamma Delta. At the latter house a student has been bothered by obscene phone calls

from a man judged to be about 24 years old. This man has called four times since the beginning of the term, and has given several false names, she said. According to the student, the man's voice is very pleasant sounding at first, but later becomes soft and seductive. The calls have not been reported to the police.

Another case was reported to the police by Carson hall. Several women on the third floor saw another partly nude man at about 1:30 a. m. the last night of fall term finals. The man was across the street, near a tree, and could be seen from the Carson windows. He was described as blond, of medium build, and about 20 years of age. At the time he was wearing only an Oregon jacket. The police were summoned, but didn't arrive in time to catch him.

King Finalists Named; Voting Set Next Week

Dick Bruce, Ron Griffiths, Bruce Purvine, Wes Ball, Bob Berry and Milan Foster are the six finalists for the title of "King of Hearts." They were selected Thursday noon at an interview session by members of the YWCA sophomore cabinet.

Voting for the "King" will begin Wednesday, when tickets for the dance will go on sale at the Student Union and the Co-op. Women will vote when they purchase the tickets.

Houses sponsoring the six finalists are, Griffiths, Sigma Chi and Chi Omega; Bruce, French hall, Purvine, Beta Theta Pi; Ball, Gamma Phi Beta and Phi Kappa Psi; Berry, Carson Four and Del-

ta Tau Delta, and Foster, Delta Upsilon.

Crowning of the "King" will be held at the Chi Omega house, and a traditional tubbing will follow. Last year's King of Hearts was Al Babb, Theta Chi.

The interviews yesterday were conducted along the lines of a mock "investigation," with members of the cabinet, led by their chairman, Gail West, asking the men what they thought of "girl-ask-boy" dances such as the Heart Hop.

Dancing for the night of the Heart Hop, Feb. 13, will be held at Pi Beta Phi, Zeta Tau Alpha, Kappa Alpha Theta and Chi Omega. General co-chairmen are Sharon Isaminger and Anne Hill.
