**Socolofsky Urges Students To Enter Billiards Tourney**

The Intercollegiate Billiards tournament will be held Feb. 23 through March 10, Jack Socolofsky, chairman, has announced. National college team champions will be those producing the highest team scores in each of the four tournaments: pockets, straight rail, three-cushion and co-ed pockets. Awards will be presented to the winners.

Last year the University of Oregon placed third in the nation behind the University of Wyoming and the University of Washington. Frank Tilly, a member of Oregon's team, was second in the nation in the 1953 Intercollegiate Telephonic billiards tournament.

The matches will be held in the Student Union under the direction of Lou Bellissimo, SU recreational director. The scores will be forwarded to Chicago where results are compared. The matches are sponsored jointly by the Billiards Congress of America and the Association of College Unions.

Those students interested in entering the coming pocket billiard tournament as well as any of the others, should sign up in the base-

ment of the SU immediately, according to Socolofsky.
