

BERTH IN FINALS

Suzies Upset Hale Kane

Susan Campell hall gained themselves a berth in the intramural basketball finals Tuesday afternoon when they downed favored Hale Kane, 51-41. The Suzies will now meet the winner of Wednesday's Alpha Tau Omega-Phi Delta Theta tussle. The ATO's earned the right to tangle with the Phi Delt's by ousting Sigma Chi, 33-27, in another Tuesday fracas.

Led by Tom Crabtree's 21 points and Jim Lehl's 16 markers,

Phi Delt's, Hale Kane Advancing

Hale Kane and Phi Delta Theta advanced in the intramural "B" basketball tournament Tuesday afternoon as they both scored impressive victories over tough opponents.

Hale Kane rolled over Nestor Hall 53-41 and the Phi Delt's downed Theta Chi in a close one, 36-30.

Paced by a tremendous 28 point output by center Sam Duncan, the Hale Kanes had little trouble in defeating Nestor. They started very fast and by halftime were on the long end of a 37-19 count. They let up considerably in the last two periods and the underdog Nestor five cut the margin to the final 12 points.

The Phi Delt's had much more trouble in scoring their victory as a surprisingly powerful Theta Chi outfit gave them all the battle they were bargaining for.

The halftime score was a perfect standoff at 13-13 and this close count prevailed far into the last quarter of the game.

Al Mundle, with 12 points for the Phi Delt's, and Allan Murray, with a like number for Theta Chi, took game scoring honors.

Oregon Tech Pins Matmen

University of Oregon's varsity wrestling squad dropped its second consecutive match to the once defeated Owls of Oregon Technical Institute Monday before a partisan crowd at Klamath Falls high school. In the preliminary match the KFUHF Pelicans defeated the frosh, 24-10.

Although the lopsided 24-3 score favors OTI quite favorably, the Webfoots showed a great deal improvement. The inexperienced Duck squad had previously been held scoreless by the Owls, 34-0. For the Webfoots, Bob Shirley was the lone victor with a 5-2 decision over former state champ Vic Schweitz.

 4:45 p.m. Court 40, Hale Kane B vs. Sigma Nu B

the Suzies were in the lead all the way but never by a very big margin. Crabtree hit three buckets early in the game to push his team into a 10-4 lead but this was by no means to signify a rout.

Sparked by big Emery Barnes the Hale Kane five rallied back and by the end of the first quarter were only trailing 13-12. A quick two-pointer by Bill Jones to start the second canto started the Suzies off to a 23-18 halftime margin.

Hale Kane made their last dying effort in the third quarter when they fought up to tie the score at 32-all; but the favorites could never quite push into the lead.

The last quarter was all Susan Campell as they steadily pulled away to their final victory margin.

Alpha Tau Omega Squeeks by Sigs

In one of the most bitterly contested games of the season, Alpha Tau Omega squeezed past Sigma Chi, 33-27.

The scores by quarter of the tussle were 11-7, 20-15, and 21-16. Sigma Chi made their closest threat late in the game when they cut the ATO lead to a mere three points at 30-27. Two free throws by Guard John Keller iced the tilt for the ATO's shortly after this.

Myron Bagley and George Shaw were the top scorers for the winners with 10 points apiece, while forward Ron Phillips was high point man for the losing Sig quintet with 10.

Anderson Pushes Halberg for Lead

Ed Halberg, who has held the lead in Oregon's statistics since last December, is still on the top of the pile—but is being seriously threatened for the scoring lead by Max Anderson, sophomore center.

Halberg has dropped in a total of 143 points in 12 games for a 12.0 average. "Big Max" is right behind with an 11.8 mark.

Barney Holland, sharpshooting guard, has the lead in field goals, with 49, and in free throw percentage, .816.

Other individual leaders are Halberg, highest field goal percentage, .457; and Anderson, most

free throws, 63, and personal fouls, 45.

As a team, the Ducks lead their cumulative opponents in every department except field goals, where they are tied.

IN THE still of the night—high above a sleeping American city—an unidentified aircraft is spotted. In a matter of seconds a lightning-like jet interceptor takes to the air. Unerringly, with an Aircraft Observer showing the way, the Air Force F-94 Night Fighter speeds to intercept the stranger. The Aircraft Observer is the man behind the pilot—the officer who keeps America's planes flying on course and on target. Without him the Air Force couldn't do its job.

What is the Aircraft Observer?

He's a **Radar Officer** . . . employing an all seeing eye that penetrates where human sight fails.

He's an **Aircraft Performance Engineer Officer** . . . knowing everything there is to know about his plane . . . keeping it fit for the skies and ready for action.

He's a **Navigation Officer** . . . plotting his plane's course . . . with an entire crew depending on him for a safe flight.

He's a **Bombardment Officer** . . . in full control of the plane over the target area . . . the Air Force Officer who "lowers the boom" on the enemy.

What the Aircraft Observer gets

He earns over \$5,000 a year. His silver Aircraft Observer wings give him prestige and distinction, and he wears the bars of an Air Force Lieutenant. They mark him as the eyes, ears, and brains of America's Number One flying team.

What it takes to be an Aircraft Observer

The Aircraft Observer must be sound of limb, keen of mind, and above all, must have the determination to be the best.

To qualify as an Aircraft Observer you must be single, between 19 and 26½ years old, and a high school graduate. However, it will be better for you and the Air Force if you stay in college and graduate before you apply. Then you, too, can be one of the best . . . as an Aircraft Observer.
