

Halbrook Tops Scoring Figures

Oregon State, both individually and as a team, dominated the weekly Northern Division basketball statistics released today by the Pacific Coast Conference Commissioner's office.

The Beavers' towering center, Wade Halbrook, led in scoring, field goal marksmanship and rebounds; teammate Jay Dean topped the free throw shooters and Oregon State as a team led in field goal percentages and defense.

Halbrook's point average for 12

SWEDE HALBROOK, OSC center, continues to lead the Northern Division in scoring with a total of 267 points in the Beavers' 12 league games.

games through February 13 was 22.3 on 94 field goals and 79 free throws for a total of 267 points. Next in line were Ron Bennink, Washington State, 17.9; Dean Parsons, Washington, 14.0; Dwight Morrison, Idaho, 13.8; and Bill Rehder, Washington State, 12.9.

Halbrook's field goal percentage was 48.2 per cent on his 84 goals in 195 tries, ranking him ahead of two Oregon men, Ed Halberg, 45.7 per cent and Max Anderson, 40.7 per cent. In the rebound department, Halbrook averaged 12.3 per game to 10 for Parsons and 9.8 for Morrison.

Deans free throw percentage was 82.8 per cent on 24 points in 29 tries. Other leaders were Barney Holland, Oregon, 81.6 per cent, and Harlan Melton, Idaho, 78.8 per cent.

Oregon State has shot 36.4 per cent as a team, having hit 252 of 693 field goal tries, to Oregon's 36.2 per cent. The Ducks excel from the free throw line with 64.1 per cent while Idaho has the lead in scoring with 65.3 points per game.

Oregon State has allowed but 52.4 points per game to opponents and has held foes to 31.4 per cent on their field goal attempts. The Beavers also have the best rebounding game with 437 to their foes' 379.

Phi Delts Dump ATO; Hale Kane Wins Tilt

Phi Delta Theta's smooth working A cage quintet moved into the finals of the intramural basketball tournament by rolling over a scrappy Alpha Tau Omega team, 42-27, in Wednesday's semi-final contest. The Phi Delts will meet Susan Campbell today at 4:00 for the A championship. Hale Kane, by virtue of its 52-29 victory over Sigma Nu, will take the floor against the Phi Delt B squad at 4:45 in the B finals.

The undefeated Phi Delts took command from the start and built a 5-0 lead before George Shaw broke the ice for ATO by swishing two free throws. The score was knotted at 8-8 and 11-11 before Phi Delta Theta went into the lead for good. The winners built up a 21-14 margin by the half and increased it to 30-20 by the end of the third quarter. Forward Bob Wagner was the game's high scorer with 12 points while teammate

Stan Lewis posted 10. Ron Lowell led ATO with 11 counters and was followed by guard Johnny Keller with nine, which were scored in two and a half quarters of play as he fouled out midway through the third period.

In the B bracket semi-final tilt, Hale Kane romped to an easy victory over Sigma Nu. The Hale Kane cagers grabbed a 8-0 lead before Sigma Nu scored and proceeded to build up a 40-12 margin at the finish of the third quarter.

Casaba Tourney Discussion Held; Problems Arise

Ted Bouck, Athletic Business Manager of the University of Oregon, took charge of a special meeting of many of the people who will be directly or indirectly affected by State High School Basketball Tournament which is to be held at McArthur Court March 16-20. The confab was held in the Student Union and during its session many pressing problems were brought forth and settled.

The main things discussed during the meeting were high school student housing and seating plans at the court for the Friday and Saturday night games.

Housing has always been a serious problem because of the tremendous surplus of fans who rush to Eugene for the tourney and want a place to stay during the entire meet. Many suggestions were made for improvements and Chuck Wiper, Eugene Active Club member in charge of housing, was given many good ideas for possible improvements.

The chief worry of Bouck was the seating problem which always arises on the final two nights of the tournament. The possible idea of reserving more seats was suggested but didn't meet with a favorable reaction. Most of those in attendance agreed that the tourney was for the high schools more than for the general public and that reservation of any more seats would prevent many students from seeing the semi-final and final games of the casaba classic.

Another matter which was hashed over in the session was car parking. During this year's tourney a new parking lot in back of McArthur Court is figured on to relieve much of the congestion which has been apparent in the past.

IT'S ALL A MATTER OF TASTE

No guessing games with cigarettes
When Luckies are your brand—
A cleaner, fresher, smoother smoke,
A taste that's really grand!

Phil W. Elder
Oklahoma University

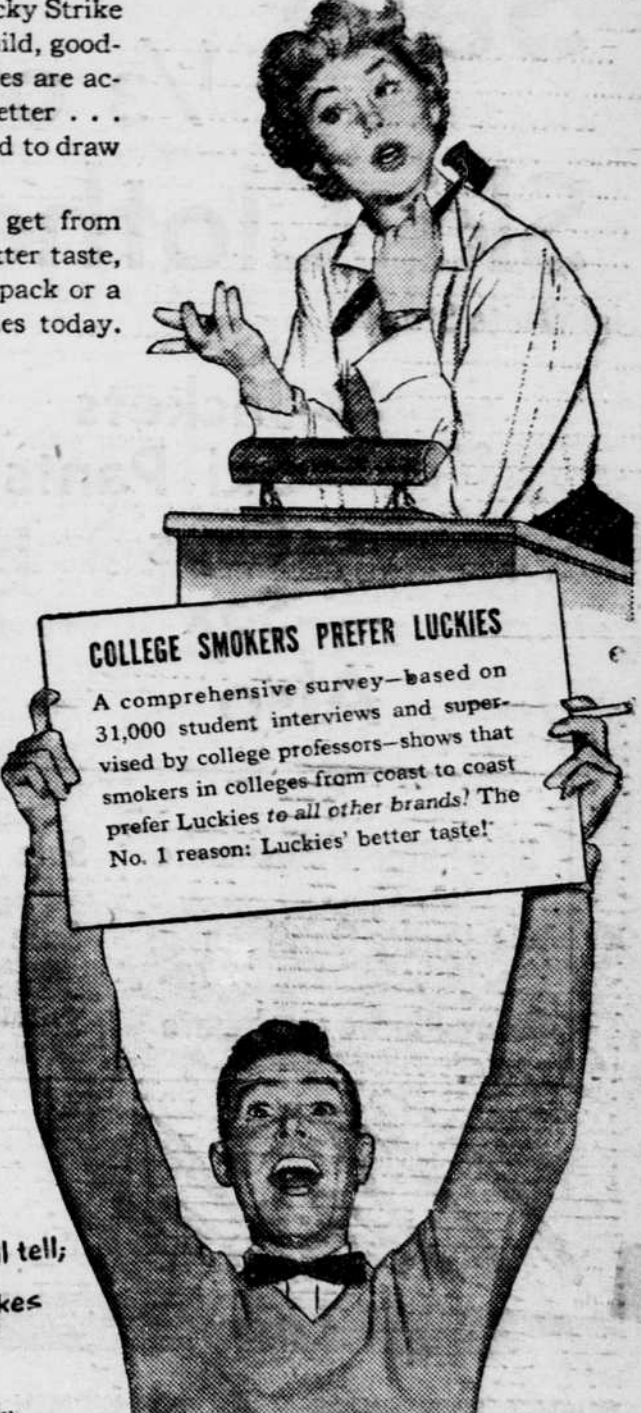

When you come right down to it, you smoke for one simple reason . . . enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco . . . light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better . . . always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

I've often been class president—
I'm called a real go-getter!
My brand is always Lucky Strike—
Why shucks, they just taste better!

COLLEGE SMOKERS PREFER LUCKIES

A comprehensive survey—based on 31,000 student interviews and supervised by college professors—shows that smokers in colleges from coast to coast prefer Luckies to all other brands! The No. 1 reason: Luckies' better taste!

I've always heard that taste will tell,
And now I know it's true—
The better taste of Lucky Strikes
Will sure convince you, too!
