

Casting Announced For 'Touch of Venus'

Verla Thompson, junior in speech, and Larry Swanson, senior in music, have been cast as Venus and Rodney Hatch, the leading characters in the University theater's forthcoming production of "One Touch of Venus," according to Frederick J. Hunter, instructor in speech, who directs the modern musical comedy.

Whitelaw Savory, owner and founder of the Whitelaw Savory Foundation of Modern Art will be played by Paul McMullen, graduate in speech. His charming and witty secretary, Molly Grant, will be played by Audrey Mistretta, junior in music.

Jerry Reynolds, sophomore in music, has been cast as Taxi Black, a roving private eye. Bill Veatch, freshman in music, will play Stanley, Taxi's side-kick. Gloria Kramer, Rodney's fiancée, until he puts her ring on a statue of Venus, will be played by Dalece Paterson, freshman in speech.

Other cast members include Ken Kesey as Sam, Roberta Toner as Rose, Dave Sherman as Doctor Rook, Marilyn Patterson as Mrs. Kramer, and Jane Cotton as Mrs. Moats.

"One Touch of Venus," with words by S. J. Perleman and Ogden Nash and music by Kurt Weill, opens on the main stage of the University theater April 23 and

Freshmen Women Asked to Petition

Petitions for Kwama, sophomore women's service honorary, are due April 16. Any freshman woman with a minimum GPA of 2.00 for fall and winter terms is eligible.

Standard ASUO petitions may be used with activities listed in order of importances. A picture of the petitioner must accompany the petition, Janet Gustafson, president, said.

Job Opportunities

This week several firms will be represented on campus to recruit graduates for excellent opportunities for positions in their respective fields. This is their one date at the University this season.

H. R. Grossman, of Army Ordnance Corps, Aberdeen Proving Ground, Maryland, will interview math and physics majors, both men and women with B.S. to Ph.D degree, from 9 a. m. to 5 p. m. Monday.

Recruiting for merchandising positions at Meier and Frank Co., Portland, will be Gerald Frank, J. D. Swanson, and Mr. Platt, also all day Monday. Students can see Robert Dodge at the school of business for the same interviews.

Tuesday, J. B. O'Shea and M. H. Flynn of Burroughs Adding Machine Co. will interview all day for accounting and equipment sales.

Sears representative J. S. Ambrose will interview Wednesday, for their management training program. This employment in merchandising and store management is not restricted to business graduates.

Longview Fibre Co. will interview all day Thursday for their training program in accounting and business management, and also for summer employment in their mill.

Carl Mays, of the U. S. National Bank, will interview both men and women for their senior trainee program on Thursday. Eventual assignments will be in such fields as credit, trust, auditing, bank operations, real estate, and investment.

For further information, and for appointments for interviews, call at graduate placement service, Emerald hall 206.

Seniors who have not yet filed information and references with the graduate placement office should do so at once so that they may receive the help of the service, according to Director K. S. Onthank.

National President Visits Theta Chi

Sherwood Blue, national president of Theta Chi fraternity, will be on campus today visiting the local chapter, according to Gary Jones, Theta Chi president.

Blue is on a visitation tour as guest of the seven Northwest chapters of Theta Chi. He comes from Indianapolis where he is a prominent attorney. Blue is a graduate of Indiana university and has been active in fraternity work for 30 years.

Blue spoke April 3 at the regional convention of Theta Chi held at Linfield college. He arrived in Eugene Sunday and plans to leave for Washington tonight. to visit Theta Chi chapters there.

'You and the News' Radio Forum Topic

"You and the News" is the topic for the University Radio Forum to be broadcast over station KO-AC tonight at 8:30.

The program will feature Gordon A. Sabine, dean of the school of journalism as moderator. Participating panel members will be Paul Deutschmann, assistant professor of journalism; Waldo Schumacher, professor of political science, and Glenn Starlin, assistant professor of speech and director of KWAX.

The discussion will concern the various means of disseminating news, and the ability of readers and listeners to understand what they read and hear.

L&M FILTERS ARE JUST WHAT THE DOCTOR ORDERED

I've been waiting for a filter cigarette that really gave me the feeling that I was smoking. I knew that L&M Filters were what I had been looking for with the very first package I tried. They have a fine filter and they taste good. The facts below make sense to me.

Bennett Cerf

THIS YOU GET...

1. **Effective Filtration, from the Miracle Product—Alpha Cellulose**—the purest material for filtering cigarette smoke and exclusive to L&M Filters.
2. **Selective Filtration**—the L&M Filter selects and removes the heavy particles, leaving you a light and mild smoke.
3. **Much Less Nicotine**—the L&M Filter* removes one-third of the smoke, leaves you all the satisfaction.
4. **Much More Flavor and Aroma**—the right length—the right filter—the right blend of premium quality tobaccos to give you plenty of good taste.

*U. S. Patent Pending

Light and Mild
