

Primary Election Vote Shows Drop-off of 200

A total of 1423 University of Oregon students voted in the Wednesday all-campus primary elections, according to figures released Thursday by ASUO Vice-President Bob Funk, who was in charge of the elections.

The first trial of the all-campus primary showed a voting decrease of more than 200 from last year's separately-held Associated Greek Students and United Independent Students primaries. A total of 1651 students voted in the two primary elections last year.

Both parties showed a decline in voting strength. AGS registered 1133 ballots this year as against 1181 last year, while UIS voting

dropped from 470 to 290.

In addition to the 846 votes for Bob Summers, the victorious AGS candidate, and 227 votes for Jim Light, 60 other first place votes were cast on Greek ballots in the primary. Ballots were not counted for UIS nominee Hollis Ransom, who was unopposed on the UIS ballots.

Summers received more votes in the primary than last year's victorious ASUO presidential candidate Tom Wrightson received in the general elections. Last year Wrightson eked out a 15 count margin over UIS candidate Don Collin by a vote of 772 to 757, while Funk, running as an Independent, captured 387 votes. A total of 106 other first place votes were registered on the 2076 ballots cast in the 1953 general elections.

Eugene TV Goes on Air

Today Eugene is a television town. KVAL-TV, local television outlet, began regular programming at 7 p. m. Thursday on channel 13. An inaugural show featuring city and state officials was presented at 6 p. m.

Easter Sunrise Service Will Begin 6:30 a. m. Sunday at Hayward Field

"The Power of Belief" will be the topic of the sermon at the annual University Religious Council-sponsored Easter sunrise service.

Scheduled to begin at 6:30 a. m. Sunday at Hayward field, the service will feature Charles J. Armstrong, president of Pacific university, as the speaker. All University students and Eugene townspeople are welcome, according to Dorothy Iler, chairman of the event.

Those attending the service are to enter Hayward field by the west gate and sit in the west bleachers only, Miss Iler emphasized. In case of rain, McArthur court will be used instead of the field.

Traditional Easter music will be provided by the Eugene high school a capella choir, under the direction of Weston H. Brockway. Two Easter anthems, "Crown Him with Many Crowns" and "Christ the Lord is Risen Today" will be sung by the congregation.

Agnes Weitz, student from Germany, will give the invocation and Tom Warnock, member of the University Religious council, will read the scripture. An Easter prayer will be given by Rev. Berlyn Farris of the First Methodist church in Eugene.

Bob Randall, president of URC, will say the offeratory prayer. The offering will be used by URC

to help finance the annual Religious Evaluation week on campus.

Rev. Robert Ellis, director of Canterbury club, will give the benediction.

The speaker is the eleventh president of Pacific, having taken over the position in 1951. Armstrong is also a professor of classics and has taught at many schools in the nation, including Brown university, Dartmouth and Whitman college, Walla Walla, Washington. His teaching career began at Rollins college, Florida.

Armstrong holds an A.B. from the University of British Columbia and a Ph.D. in classical philology from Harvard. Born in Canada, the forty-two-year-old president became a citizen of the United States in 1925. He has a wife and four children.

At Whitman, Armstrong became director of the Navy V-12 college training program and assistant professor of classics in 1943. He became an associate professor of classics in 1945.

Since coming to the Northwest, Armstrong has been appointed a member of the Commission on Higher Schools in the Northwest Association of Secondary and Higher School. The young president has been listed in "Who's Who in America?" since 1948.

Williams New IFC President

Pete Williams, Phi Delta Theta, will head Inter-fraternity council in the coming year. He won the presidential election over Andy Berwick, Beta Theta Pi, and Bob Gray, Sigma Phi Epsilon, at the Thursday night IFC meeting held at the home of Ray Hawk, director of student affairs.

Don Rotenberg, Sigma Alpha Mu, is the new IFC vice-president and Ward Cook, Sigma Nu, will handle the job of secretary for the 1954-55 school year.

Rush week was set by IFC for the first week of classes fall term. The council unanimously adopted Berwick's report on fall rushing. The week will open with the IFC assembly Sunday evening, Sept. 26. On Monday, Sept. 27, the freshmen will sign up for rushing dates. The next four days will be devoted to regular rushing functions, and the freshmen will pick up their bids on Saturday, Oct. 2.

Open rush will precede the official rush week as it did last fall. Hawk pointed out the dangers of a closed period stating "I have never seen more bitterness than when we tried the 'hands off' policy."

The council expressed hope that rush week in the first week of school rather than the second week would help the freshmen get a better start scholastically. Hawk said that the low freshmen grades of fall term could be directly related to the late rush week. He urged the fraternities to give the freshmen the opportunity to get a solid start in school during the first weeks.

OSC to Present Exchange Show

Oregon State college will present an exchange assembly in the Student Union ballroom Tuesday at 1 p. m.

Both Oregon and OSC recently sent assembly programs to several Oregon high schools and OSC's program here will be similar to its high school presentation, according to Gloria Lee, Oregon exchange assembly chairman.

Three Professors Receive Awards From Foundation

Three members of the University faculty have been given Ford Foundation awards to travel and study. E. L. Johnson, dean of the college of liberal arts, has announced.

They are H. T. Koplin, assistant professor of economics; Carlisle Moore, associate professor of English, and E. R. Bingham, assistant professor of history.

The three will receive a full year's salary plus added expenses from the foundation and the awards will enable them to travel and to study subjects connected with their fields to broaden their teaching.

Koplin will leave in June with his wife for England. He will spend time at Oxford and Cambridge universities studying economic theory.

He received his B. A. degree at Oberlin college in Ohio and his Ph.D. at Cornell university. He has been here since 1950.

Moore plans to visit several schools throughout the United States and study modern post-Freudian psychology in order to discover its relation to nineteenth century literature.

He plans to take along his wife and two children. He will spend a large amount of time at Princeton university, where he received his B.A., M.A., and Ph.D. degrees.

Bingham will go to Yale university and study the works of Ralph Henry Gabriel, an authority on American intellectual and cultural history. He and his wife will leave in September.

Bingham earned his B.A. degree at Occidental college and his Ph.D. at UCLA.

Light Automatically Put on Senator List

Jim Light, defeated Associated Greek Students candidate for the ASUO presidential nomination, will automatically be placed on the list of AGS candidates for senator-at-large.

This is the procedure under the preferential system of counting, where each candidate receiving the established quota of number one votes is selected as a senator candidate.

The name of Bob Maier, also an AGS candidate for senator-at-large, was omitted from the list of "Election Results" in Thursday's Emerald.

Quorum Lacking For Senate Meet

Seventeen members of the ASUO senate met Thursday night to hear several reports, but no business could be disposed of because the number present did not constitute a quorum.

ASUO Vice-President Bob Funk, who was in charge of the primary election, told the members present that the election was "rather successful," except for the number of students who voted. Only 1423 voted in the primary.

Funk recommended that the number of voting booths be cut to six and that the booths be moved closer to the center of the campus for the general election, May 5.

Funk also reported that the Student Union coffee hour is open April 27—for the ASUO election assembly.

Race Meeting Held

ASUO President Tom Wrightson reported that he and several members of the senate met with Eugene City Engineer William Clubb, and Councilman Carl

UO Debaters Leave on Trip To Enter National Tourney

Two members of the University of Oregon debate squad will leave Saturday to participate in the National Debate tournament to be held at West Point, New York.

Vodvil Entries Due; Eliminations Slated

Entries in the World University Service Vodvil show must be turned in to the YMCA office, Student Union 319, by 5 p. m. Monday, according to Edna Humiston, Vodvil chairman.

Women's eliminations will be held Monday at 7 p. m. in Gerlinger annex. Men's eliminations are scheduled for Tuesday at 7 p. m. at the same place.

Acts for the Vodvil show, April 23, at McArthur court, do not have to conform to the theme of the show, "Hands Across the Sea," Miss Humiston has announced.

New to this year's Vodvil will be the WUS hostess, selected from foreign students on campus. She will be introduced during intermission at the show.

Representing Oregon will be Karl Harshbarger, senior in speech, and Don Mickelwait, junior in economics. Herman Cohen, instructor in speech and director of forensics, will accompany them on the trip.

Oregon and Washington State college will be the only Northwest schools represented at the tournament. Oregon received its invitation on the basis of its showing at the Linfield Forensic Tournament of Champions, held in McMinnville, March 4 to 6.

Harshbarger and Mickelwait recently returned from the annual Pi Kappa Delta tournament at College of the Pacific in Stockton, Calif. At the California tournament, they reached the finals in debate competition, and Mickelwait was awarded first place in extemporaneous speaking.
