# Big Tug-of-War Slated for Friday

The sophomore class tug-of-war team faces their most important opponent of the year when they meet the freshmen this Friday at 4 p. m. on the University tug-of-war field behind the Kappa Sigma house.

Jim Duncan, sophomore president representing last year's winning team stated, "The sophomore class has made extensive preparations at their training camp at Beta meadows." Freshman also are on training rules and expect to be in top shape for the big event.

Freshman president, Don Smith, had this to say for the coming battle: "We have the roughest, toughest men in the freshman class pulling for us. Even though the field will be wet, I am sure the sophomores are in for a real cleaning this Friday."

Duncan evidently feels otherwise. "Friday afternoon at 4 o'clock the freshmen will get a chance to taste sophomore supremacy," he said.

The experts haven't made up their minds yet as to the outcome of this clash. Some think the more experienced sophomores will gain the upper hand while others are banking on the enthusiasm of the freshmen. Anyways you look at it, this event promises to be one of the big sports thrills of the year.

# UO Gridmen Lose Farrell Albright

A tough break was dealt to the University of Oregon's football plans for 1954 when it was found last week that last season's starting right-halfback, Farrell Albright, will not be present for next season.

Albright, who was being figured on for heavy ball-carrying assignments, has been accepted into the dental school a year earlier than expected and will not be on hand for next fall's grid warfare.

Head coach, Len Casanova, expressed disappointment on hearing that Albright wouldn't be back but he added that he was quite

proud that Albright had made the grade in his pre-dental work and wished him lots of luck in his future occupation.

Albright is a two-year letterman in football and last season was one of the leading ground gainers for the Webfoots. In addition to football Albright has been a member of Don Kirsch's baseball team for the past two seasons. This year he was being depended on for many hurling assignments until he came up with a sore arm early in the Northern Division race. He has a lone win to his credit in action this season.

Albright came to Oregon from Milwaukie high school after completing three successful years of prep school action. He is now a member of Phi Delta Theta, men's fraternity.
