

TWO DRILLS LEFT

Gridders Prep For Scrimmage

Coach Len Casanova's spring football players have only two more practices, plus the big Spring's Sport's Day football scrimmage, before they ring down the curtain on the 30 day practice session.

In addition, as Athletic Business Manager Ted Bouck pointed out, there are exactly four months before the players pull up the curtain again and play their first game against the Idaho Vandals.

The varsity gridders, 45 men strong, worked out in a boiling hot sun Tuesday afternoon, putting the final touches on five weeks of football education.

Two Backfield Units

Working with two backfield units, Casanova ran his boys through mostly running plays; with the emphasis on quick opening off tackle slants, quarterback sneaks, and quarterback optional runs, which worked so successfully during the 1953 campaign.

On one team was Don Holt,

quarterback; Walt Gaffney and Lloyd Powell, halfbacks; and Jasper McGee, fullback. The second set of backfield men consisted of Les Plumb, quarterback; Tom Crabtree and Hank Loumena, halfbacks; and Larry Rose, fullback.

Injury List Short

The injury list is noticeably short at this time in the practice schedule, with only two men listed as ailing. Steve Danchok, end, and Harry Johnson, tackle, were slowed down with knee injuries, but spent the afternoon running around the edge of the practice field.

The scrimmage Saturday morning will begin at 10:30 a. m. There will of course be no admission charge, according to Bouck. There will be no goalposts on the field, and there will be no kick-off or timed quarters.

The coaching staff will divide the players into two evenly balanced squads for the morning fracas.

PE Club Decathlon Contest Scheduled for Next Week

With spring term rapidly coming to a close the Physical Education club is looking forward to its annual decathlon meet which is scheduled for Wednesday and Thursday afternoons, May 26 and 27.

Track Final Slated For 4:45 Today

Phi Delta Theta will take on Theta Chi in a dual meet Wednesday afternoon to decide the intramural track champions for 1954. The Phi Deltas mowed down Susan Campbell hall in the semifinals Monday while the Theta Chis were edging tough Alpha Tau Omega by a close 38-30 score.

On their way to the final the Phi Deltas defeated Nestor hall, French hall, Sigma Nu and the Susies. Theta Chi roared past Sigma Phi Epsilon, Tau Kappa Epsilon, Beta Theta Pi and the ATO's in their journey to the final tilt.

The two teams will start their meet at 4:45 p. m. with the field events.

President Bernie Averill announced Tuesday that there would be a change in the scoring system for this year's competition. Instead of the old method, this year's teams will be awarded points on the basis of the average score in each event. After each person has completed an event an average mark will be figured. A competitor who hits the average will get 50 points, someone with a better than average mark will score more than 50 points and those hitting under the average will get less than 50. The scores will be figured with the use of a standard deviation curve.

Averill went on to say that any house on campus that is interested in taking part should hand in an entry blank as soon as possible. The meet will offer athletes a good chance for some all-around competition.

Any man who has made a varsity letter in track or is now competing in either varsity or Frosh track is not eligible for competition in the decathlon. However, men who took part in Frosh track in years past but are not now com-

peting will be allowed to enter.

Events which will be on the program this year will be the 70-yard dash, 70-yard high hurdles, broad jump, high jump, javelin, discus, shot put and three quarter mile relay. Each house will be allowed to have three entries who will take part as a team. All three men must take part in all the events.

Averill stated that, "if you can get three men who can perform the following events in these times and distances you will stand a good chance of placing high in the decathlon meet."

70-yard dash—8.0
70-yard high hurdles—12.0
Broad jump 17'
High jump—4'9"
Javelin—120'
Discus—80'
Shot put (12 lb.)—30'
Three quarter mile relay—3:05

This will be the third year that the decathlon meet has been held with Alpha Tau Omega having won the championship in both previous meets. Phi Delta Theta finished second in the 1952 meet with Sigma Nu third. Last spring Sigma Nu took the runner-up spot and the Phi Delta finished third.
