

# SU Plans Open House For Thursday Evening

The Student Union will hold open house from 7 p.m. to 9 p.m. Thursday. Highlights of the evening will be the president's reception at 8:30; a movie, "Football Highlights of 1953," at 7:30; a "Friday at 4" program at 7 p.m., and a Fishbowl Mixer at 9 p.m.

Sandra Rennie, SU program director, announced Monday that SU standing committees will have displays on the second floor lobby, and committee chairmen and members will be on hand to explain the work of their committees to interested students.

Petitions for work in the Student Union program will be available and may be filled out during the open house.

The SU Board, directorate and members of the public relations committee will act as hosts during the open house. All areas of the building will be open for the evening.

A special exhibit, "The Artist as Jeweler," will be shown in the Art Gallery.

Free coffee will be served in the Fishbowl during the "Friday at 4" program.

## Marshall Scholarships To Be Awarded 12
