

President Announces Appointment of Jones

William C. Jones' appointment as public relations officer for the University was announced by President O. Meredith Wilson and confirmed by the state board of education after the Emerald

resigned last year to become executive director of the Western Interstate Commission for Higher Education. His new responsibilities include the non-academic and non-business activities of the University such as public relations, student affairs and instructional service areas.

The offices of student affairs, alumni records, convocations and lectures, editor's office, news bureau, museum of art, museum of natural history, Student Union operations, special University programs and director of public services are now under Jones' direct supervision.

Jones has a long record of educational service in Oregon, serving at Willamette university, and then as head of the University political science department.

He left the University in 1944 to become president of Whittier college in California. Returning in 1951, he was dean of administration under former President H. K. Newburn. He took the position with the higher education commission after the resignation of Newburn. His new appointment became effective July 1.

Announced simultaneously with Jones' appointment was the naming of Les Anderson as director of public services and alumni secretary. Anderson, alumni secretary for the University since 1946, has been administrative assistant in the president's office for the past year.

Duck Stolen After Game

Puddles III is missing and is presumed to have been "duck" napped, according to Rally Board Chairman Sally Stadelman.

Miss Stadelman reports that she discovered Puddles, and his companion Gregg, missing from the Multnomah hotel garage at approximately 8:30 a.m. Sunday morning.

Garage attendants said that the two creatures had been quacking loudly, and may have been a big temptation to any anti-Oregon fans.

The rally board is waiting hopefully today for a ransom note from the abductors.

NPA Announces Poetry Contest

Dennis Hartman, secretary of the National Poetry association, has announced that all college students are eligible to submit original verse for possible publication in the Annual Anthology of College Poetry.

This is the twelfth year of annual competition. In the past 10 years over 100,000 manuscripts have been submitted to the association of which 4,000 have been accepted for publication.

Manuscripts must be typed or written in ink on one side of a sheet. Student's home address, name of college and college address must appear on each manuscript.

Because of the many manuscripts submitted each year for competition, short verses are preferred.

All manuscripts should be mailed to the National Poetry association, 3210 Selby Ave., Los Angeles, Calif.

Closing date for submission of manuscripts will be November 5.

378 Frosh Sign For Men's Rush

The highest number of men in at least four years had signed up for men's rush week by Monday night, according to Ray Hawk, director of men's affairs and adviser to the Inter-Fraternity council.

A total of 378 men had signed up Monday. The figure was expected to climb to around 400 as rushees registered late Monday night and Tuesday morning.

Actual rush dates started at noon today when rushees kept their first rush dates. They will keep two more dates today—at dinner, 5 to 7 p.m., and evening, 7:30 to 10.

Rushees may break dates tonight at Emerald hall after 10. However, dates may be broken only after the rushee has kept one date with the fraternity, according to IFC rules.

New dates may be made between 9 and 11 a.m. Wednesday through Friday in the Student Union.

Rushing rules and dates will remain the same through Friday, the last day of rush week. Rushees will pick up their bids Saturday morning in the SU, after filing their preference cards Friday night in the office of student affairs in Emerald hall.

According to IFC rules, no rushee is permitted in the fraternities at any time other than during rush dates. Rushees are also to arrive at their dates unescorted by fraternity men, according to the rules.

This is the earliest men's rush week for the 21 fraternities since the freshman living program was instituted at Oregon in 1950.

Women Complete First Rush Period

First period women's rushing dates will be completed this afternoon and evening, with no further rushees' meetings scheduled until noon Wednesday, Panhellenic President Carol Wenner announced Monday.

All rushees are to attend the meeting, and they must be present, Miss Wenner emphasized. She also requested that they bring their rushing handbooks and schedules with them. Invitations for the second period of rushing will be issued.

Those women who did not receive rushing schedules may pick them up this afternoon in the Panhellenic office in Gerlinger hall.

Campus Clothes Worn

Campus clothes are in order for today's dates and all others except preference night on Saturday. Short silks are to be worn Saturday for the final periods.

No dates, with the exception of the Friday evening and Saturday periods, show preference. Second period of rushing will be held Wednesday, with the third on Thursday and the fourth on Friday. No rushee may accept more than one date per period from a house.

A formal pledging limit of 21 for each of the 16 sororities has been set according to National Panhellenic procedure. The number, based upon the number of women going through rushing and the percentage of women pledged in last fall's formal rush period, is two more than the 19 allowed last year. The 1952 ceiling was 17.

The Panhellenic council will be on hand to answer rushee's questions. Information on sorority finances is available, along with copies of the sorority magazines.

Numerous Women Rush

The 386 women who started

rushing Monday represent the largest group of rushees in recent years. In 1953, 236 of approximately 300 rushees pledged and in 1952, 219 pledged.
