

YWCA Mothers Plan Activities

Mothers of children in the YWCA Co-operative nursery met Monday night to plan the coming year with Mrs. Robert Vagner, new nursery school director.

Classes will be held each morning, Monday through Friday, from 9-12 at the Congregational Church Plymouth house. Three-year-olds attend classes Tuesday and Thursday and the four-year-olds attend on Monday, Wednesday and Thursday.

There are still a few openings in both age groups for the classes which begin September 27. The children of University employees, faculty members and students are urged to attend.

The nursery school is sponsored by the University YWCA, a community chest agency.

Further information can be obtained from Mrs. Robert Vagner at 4-0031 or Mrs. Roland Bartel at 5-1415.

Senior Petitions Deadline Tuesday

Petitions for senior class president must be turned in by 5 p.m. Tuesday, Oct. 5, according to Bob Summers, ASUO president.

The position was vacated when Bob Glass left school to attend dental school. The office will not be filled by Vice-President Len Calvert but must be filled through petition. This situation was explained by Summers who stated that the ASUO constitution is very clear on all matters of vacancies.

Mexico to Offer '55 Scholarships

Scholarships for study in Mexico during 1955 will again be offered by the Mexican government, according to Kenneth Holland, president of the Institute of International Education.

Open to graduate and undergraduate students with a knowledge of Spanish, the awards are given through the Mexico-United States Commission on Cultural Co-operation. Awards are for the academic year beginning March 1, 1955.

Deadline for application is November 1, 1954. Applicants may write for information to the Institute of International Education, 1 East 67th St., New York City.

New Salem By-Pass Opens in Near Future

SALEM-(AP)-The Salem by-pass on Pacific Highway East will open Nov. 1, State Highway Engineer R. H. Baldock has announced.

The project, which cost \$2,150,000, makes it unnecessary for through traffic to go through the capitol city. The section is 10 miles long.
