# Nixon Predicts GOP Victories In Nine Of Ten Senate Contests

Compiled by Jerry Harrell  
(From the wires of Associated Press)

ALBANY, N. Y.—Vice President Nixon says a look at 10 Senate races has convinced him Republicans hold the lead in 9 while facing an uphill battle to retain control of the House.

Nixon told newsmen at Albany, N. Y., Wednesday he thinks GOP candidates are in the lead in contests for Senate seats in Ohio, Illinois, Michigan, Massachusetts, Kansas, Nebraska and New Hampshire. Two seats are up in each of the latter two states. Nixon was not optimistic about Minnesota.

Nixon came in for renewed criticism from chairman Stephen A. Mitchell of the Democratic National Committee, who accused him of "playing a dishonest game of words to give a false impression."

A spokesman said Mitchell was standing behind his statement, although it was disclosed that The Associated Press had misquoted the vice president in reporting the speech which touched off this particular exchange with Mitchell.

The AP had quoted Nixon as saying in a Sept. 18 speech at Huron, S. D., that the Eisenhower administration has "kicked the Communists out of government, not by the hundreds, but by the thousands."

A playback Wednesday of a recording of the speech made by a Huron radio station showed that Nixon had said: "We're kicking the Communists and fellow travelers and security risks out of the government, not by the hundreds but by the thousands."

It was on the basis of the AP account that Mitchell on Sunday accused Nixon of "an outright falsehood." Nixon said later Mitchell was "shooting from the hip before he gets the facts."

Asked to name Democratic Senate candidates he would term "left wing," Nixon listed Richard L. Neuberger in Oregon and John Carrol in Colorado.

## Ohio Segregation Appeal Planned

COLUMBUS, O.—A move by a group of Ohio Negroes to bring about an immediate end of public school segregation has been blocked by the ruling of a federal judge. Negro leaders said at Columbus, Ohio, Thursday they planned to carry their fight to the U. S. Supreme Court if necessary. The immediate situation in Ohio centers at Hillsboro. The National Assn. for the Advancement of Colored People is spearheading the fight.

John L. Francis, president of the Ohio conference of the NAACP branches, said he was "shocked" at U.S. Judge John H. Druffel's refusal to act now on a request to halt "enforced segregation" in Hillsboro schools.

In turning down a plea for an injunction, the jurist said that any decision given at this time might be contrary to the pattern of integration yet to be decided on by the Supreme Court.
