SAE, '53 Champions, Defeat Beta Theta Pi

Capitalizing on the sticky fingers of pass receivers Stan Savage and Jim Tennyson, the accuracy of Rex Davis' arm, and the speed of Dave Talbot, Sigma Alpha Epsilon, last year's IM football champs, downed Beta Theta Pi 14 to 8, in the first round of the intra-mural sessions. A Davis to Savage aerial, which covered approximately forty yards, was good for the first "six," and another pass, this time to Sayle Dahl in the end zone finished the S.A.E. scoring. Both passing attempts for extra points were good. The Beta's lone touchdown occurred on an aerial to Harvey, but the try for extra point failed. Jerry Pool caught the opposition napping when he scored the game's only touchback.

Sigma Chi Downs ATO

The fine passing and generalship of Alex Byler was the deciding factor in the Sigma Chi, Alpha Tau Omega fray Monday, as his rifle arm fired perfect strikes to Rublman, for a touchdown, and Sherman for the extra point. The 7-0 contest was highlighted by near break-away runs and long passes by both teams, with Sigma Chi receiving a slight offensive advantage. The Sigs squad was composed of Sherman, Spores, Rublman, Jones, Byler, Geldersleeve, Hinkson, Rinehardt, Barker, Stewart, Bogs and McDaniel. Dominigini, Graham, Bogley, Page, Johnson, Huggens, Gart, Moad, Baggess, Kinkenny, Blodgett, Notos, Basham and McLain played for the losers.

Phi Psi's Pass to Win

Phi Kappa Psi showed a fine aerial attack as they downed Theta Chi 13-6 in an intramural league opener Monday afternoon. Although they only passed for one of their touchdowns the other one was set up by passes. The first touchdown was scored on a long pass. The second which came late in the third quarter was set up by two sleeper pass plays which carried the ball 60 yards to the Theta Chi's two yard line. From the two yard line they ran the ball into the end zone for the score. The conversion was also scored on a running play. Theta Chi's only touchdown came about the middle of the fourth quarter. It was scored on a series of pass plays which carried the ball for 50 yards. The conversion try failed.

Phi Delts Win Easily

Phi Delta Theta, sparked by the brilliant passing of quarterback Dick Scholostien, scored an easy victory over Chi Psi in their intramural league opener Monday afternoon. The game ended with a score of 28-0. Scholostien passed for three touchdowns and two conversions. Two of the scoring passes were received by Wagner and one by Robinson. Phi Delta's other touchdown was scored on a pass play from Spickerman, quarterback, to Roberts, an end. Phi Delta's other two points were picked up by way of a safety. Although Chi Psi showed good

spirit they never seemed to get their plays moving. The defense of the Phi Delta team was very rough on the Chi Psi's.

Fijis Get Shutout

Bob Fausett, speedy halfback of Phi Gamma Delta, scored one touchdown on a run and a pass from Chuck Fehely as the Fijis whipped Delta Tau Delta in the first IM football game for both squads. Lloyd dragged in another Fehely pass for the extra point to establish a 13 to 0 score. With the aid of Gainsantti's hard rushing, only one first down was scored against the Fiji boys.

Touchback Only Score

Phi Kappa Sigma edged out a very narrow victory over the Pi Kappa Alpha team Monday afternoon. The only score of the game was a safety when the charging line of the Phi Kappa Sigma team trapped the Pi Kappa Alpha eleven behind their own goal line. This gave them the winning end of a 2-0 score.

Both teams showed fine defensive play all afternoon. Many of the plays attempted by both

teams were thrown for losses. Both teams had hard charging lines and alert linebackers.

Although they showed fine defensive play, neither team seemed to be able to get the ball moving on offense.

DU's Down Lambda Chis

Delta Upsilon outscored Lambda Chi Alpha 8 to 6 Monday, during the first round of IM action. A touchdown by Foster decided a highly defensive battle, and touchbacks by the D.U.'s Bacon and the Lambda Chi's Casey, provided the only other scores. The winning roster included the following players: Jensen, Bacon, Martin, Klanecky, Rogers, Foster, Kent, Runcall, and Greene. Lambda Chi's squad included: McRinney, Maxwell, Casey, Rodman, Rasmussen, Marsh, Keller and Wilson.

Sig Eps Win by Forfeit

Sigma Phi Epsilon was handed a victory by route of a forfeit. The Pi Kappa Phi team that they were supposed to play did not show up for the game.

Offensive Blocking Theme of Workout

A very tough scrimmage was the keynote of yesterday's varsity workout, with Johnny Keller and Wally Russell quarterbacking in the place of injured George Shaw. The Webfoots concentrated their efforts on punt

first and second team backfield men worked on running and passing plays, while the linemen concentrated on offensive blocking. Coach Len Casanova's boys then combined forces for a long and hard full scrimmage. Following the scrimmage, some of the players remained to work on touchdown conversions, a point that cost Oregon a tie last week.

On the injured list for yesterday's practice were George Shaw, Ron Fheister and Don Jacobs. Dick Mobley worked out after seeing limited action against Utah as a result of injuries received in the Stanford game. Shaw and Fheister both worked out lightly, Shaw suffering from a pulled muscle, and Fheister from a pinched nerve.

According to Casanova, the Ducks will work part of the week on mistakes that they made last week against the Utah Redskins. The remainder of the time will probably be spent preparing for the coming tussel with California at Berkeley Stadium next Saturday.

coverage and offensive blocking. The team as a whole looked pretty good, with the defensive players doing a fine job.

After working for about a half hour on punt drills, the
