# Ole Miss, Buffs Boast Offenses

NEW YORK—AP—Colorado and Mississippi, two of the October nominees for January bowl games, have the most potent football attacks in the country so far this season.

Colorado leads in rushing offense with an average of 381.3 yards per game and in total offense with 435.8 per game, while Mississippi is tops in passing with 211 yards per game and second in total offense with 423.3. Mississippi's attack is almost perfectly balanced between land and air, with 211 passing and 212.3 running.

Only other teams in the "400" set are Boston University, with 410.7 yards per game; Denver, 410.3; Wichita, 402.5 and Texas Tech, 401. Tech ranks second to Colorado in running, having piled up 336.5 yards per game on the ground.

The nation's television football fans will see some of the best passing in the country Saturday when Oregon, number two team passing, meets Southern California, number four. Oregon is averaging 188.8 yards per game. Southern Cal 162.8, Purdue, whose passing was stymied by Duke last Saturday is third with a 163.3 mark.

Colorado is averaging 7.40 yards a try on the ground, 7.61 yards a try including passes, leading the country in both respects.

Wichita leads in scoring with 177 points in four games, a 44.3 average and Colorado is second with 174 for 43.5.

# Dorm Bowling Starts Soon

The annual dormitory bowling league will officially start Wednesday, October 20, on the Student Union alleys. The eight teams will bowl a total of seven weeks on a round robin schedule, beginning at 8:00 p.m., a measure adopted to accommodate those dorms having deserts on Wednesday nights.

The teams and their captains comprising the dorm league will include, Yeomen, Warren Knudson; French hall, Stan Hodges; Nestor hall, Earl Kindall; Local Yokels (off campus men), Vern Jackson; Gamma hall, Ken Brookshire; Cherney hall, Don Jacklin; Sederstrom hall, Bob Reaves; and Hale Kane, Wil Watanabe. All of these teams will be competing for a perpetual challenge trophy. The trophy was presumed lost three years ago, when the Yeomen won it, but it has been found in time for the league.

Each team will be permitted seven members, five bowling each night, and two being available for substitution.

# Webfoots Prepare Defense For Southern Cal Trojans

Coach Len Casanova sent the Oregon football team through a rugged defense session Wednesday afternoon as the Duck gridders worked on ways and means to halt the high scoring University of Southern California Trojans.

Oregon and Jess Hill's USC team meet Saturday at Port-

walloped Pittsburgh 27-7, edged Northwestern 12-7 and suffered their first loss last Friday, a 20-7 defeat inflicted by Texas Christian.

## Shaw Still Hurt

The Oregon coaching staff commented that the squad was in pretty fair physical condition, but that star quarterback George Shaw was still nursing leg injuries which have hampered him in recent contests.

Coach Jess Hill of USC has expressed his opinion that Shaw is the best back in the PCC and has been working his players on pass defense.

The Oregon mentors also stressed that the Ducks will have to be at their physical peaks to halt the hard-running Trojans, who are reported to have one of the fastest backfields in the nation.

In Aramis Dandoy, Lindron Crow and Soph Jon Arnett, the Trojans have speed to burn. The Ducks edged USC last year by preventing Hill's fast backs from breaking loose and are faced with the same problem this year.

Jim Contratto, a senior who at last is first string Southern Cal quarterback, has done a very capable job of passing and punting so far but reports from the Trojan camp indicate that he will not be able to play against

Oregon because of rib injuries.

In overall season play, Oregon leads USC in offense and defense. Oregon is first in the PCC in total offense with 333.5 yards per game while USC is second with 325.8.

The Ducks trail only UCLA in defensive effectiveness, and the Trojans are but fourth in this department.

Southern Cal leads Oregon in punting and pass interceptions, however.

Long range weather forecast for the Saturday skirmish is for rain Friday and Friday night but with clearing skies Saturday.

# Medical Students To Fill Out Cards

Pre-medical, pre-dental and pre-medical technology students are asked to fill out cards at the physics department office in Science 121.

Purpose of these cards is to provide the staff with information which will be used for notifying the students of matters concerning them.

Booklets describing opportunities at the University of Oregon Medical school in Portland will be available to pre-medical students when they fill out the cards.

LEN CASANOVA defensive diet

land's Multnomah stadium in the nationally televised "Game of the Week." Originally intended as a night game, it has been moved up to a day contest.

Much will be at stake as both teams are gunning for a share in the Rose Bowl pie. Oregon, upset winners over Cal last week, has a 2-2 mark on the season and 2-1 in the Pacific Coast conference. Southern Cal has a 3-1 overall and 1-0 in the conference.

The Trojans opened the season against Washington State 39-0.
