## Duck Tracks

By Jerry Clausen  
Emerald Sports Writer

Prospects are for a wet tomorrow afternoon when the Ducks take on San Jose State and the rain might make a game that promised to be a wide-open contest into a slippery mess.

Although San Jose has displayed a good running attack in its games so far, the Spartans depend upon their passing to pick up the biggest gains. Since Oregon is ranked second in the nation in passing and San Jose is currently tenth, a wide open aerial game would be probable on a dry day. Looking at the weather so far this week, however, seems to point to nothing but rain for Saturday, and a dull game for the spectators. Good old Willamette valley.

Turning to a big event of the season, reliable sources inform us that the first game of this year's annual home-and-home football series between the Sigma Delta Chi chapters of Oregon and Oregon State will be played a week from Saturday on the intramural field. The journalism grid stars from the Northern and Southern branches will be out to settle the feud which ended in a 0-0 tie last year. The second contest will be played later at Corvallis.

Speaking of our northern neighbors brings out that Wade "Swede" Halbrook, 7'3" OSC basketball center and leading Northern Division scorer last year as a sophomore, will likely be around again this year to plague the other four ND rivals. This wouldn't be unusual for anyone but Halbrook, but it seems the giant cage star flunked a few courses last spring and then quit summer school to get himself in dangerous territory scholastically

### OSC Keeping Tabs on Halbrook

Apparently Swede has had some one riding herd on him this fall because he has gotten a "satisfactory" rating in all his classes while missing only one lecture. A lot of OSC fans have said that perhaps the Beavers could build a better-balanced team if Swede weren't around, especially with such veterans as Tony "Hooks" Vlastelica, Tex Whiteman, and other sky-scrapers. But it appears that OSC coach Slats Gill doesn't feel that way.

The crackdown by NCAA officials on some schools this week for violating recruiting codes reached into our own state with Portland University getting a one year probation tacked onto it for allegedly conducting basketball tryouts for high school athletes. It seems that even the smallest schools have the pressure on them to produce good teams or else and trying to support athletic programs at some institutions is becoming more trouble than it's worth. Even a little school like Western Illinois State College got a reprimand for playing in a little bowl game that didn't have NCAA approval.

Miami (Fla.) University got a one-year suspension from the NCAA in their annual delinquency announcement which will mean that they can't play in any bowl games next New Year's Day. Since the Hurricanes are unbeaten in four starts this season, they are likely candidates for the Orange Bowl, but that's out now. This ought to serve as a good warning to many of the schools trying to sneak something past the keepers of the athletic "purity" code.

### Maryland Providing Grid Scholarships

Maryland and its cohorts in the Big Seven conference in the south are perhaps the most liberal group in the nation in athletics. Maryland's Terrapins, a perennial football power, has a scholarship setup for football players that always attracts the top performers in that section.

It provides 22 scholarships in each incoming class for books, room, fees, tuition, and \$15 a month expenses. Coach Jim Tatum says that this keeps a good varsity squad of 66 players around at all times plus 22 for the freshman team, and that this is a good minimum to work with.

# UCLA Leads Team Marks

LOS ANGELES-(Special)-The UCLA Bruins, defending Pacific Coast conference champions and undefeated this year, headed six of the 10 statistical departments in team figures released this week by the PCC commissioner's office.

They ranked first in rushing and total offense, rushing and total defense, pass interceptions and punt returns, and were second in team punting and kickoff returns. UCLA has averaged 282.4 yards per game on the ground during the first five weeks to lead Washington State, second, at 196.8.

The Bruins total offense average of 339.6 is seven yards better than the No. 2 team, Oregon, 332, which has the best passing mark of 184.6.

Defensively UCLA has given up 90.6 yards on the ground to 129.6 for Washington State. Oregon has the best pass defense average, 75.6, to 85.4 for Southern California, and UCLA has a total defense mark of 210.9 with Oregon again second, 229.8.

UCLA fell one short of the PCC record of nine as it intercepted eight passes last week-end to boost its season total to 18 and the Conference leadership. The Bruins did set a new PCC game record for yards returned, totaling 218 yards.

UCLA also leads in punt returns with a 25.9 yard average per return, three having gone

for touchdowns. Oregon State leads in team punting with a 38.1 yard average and California in kickoff returns, 20.2 yards.

## Sig Eps Triumph In IM Volleyball

Sigma Phi Epsilon chalked up its second league victory of the season in volleyball action yesterday afternoon as it rolled to an easy win over Pi Kappa Phi.

The A league action saw the Sig Ep team walk over the Pi Kap's in the first game, 15-0. They followed this with a 15-5 win to sew up the victory.

### ATO Triumphs

Alpha Tau Omega A won its second game in intramural action, as it trounced Kappa Sigma in two straight games. ATO won the first set easily 15-7, but the second was a different story, as Kappa Sigma took a 10-8 lead. A last minute surge by the ATO's tied the score and finally won it for them 15-12.

### Chi Psi Wins

Chi Psi and Sigma Nu hooked up in a close battle, and with some help from the clock Chi Psi emerged victorious, two games to one.

The Chi Psi's won the first set easily, but Sigma Nu bounced right back and tied things up with a hard fought 15-12 win. The deciding tilt stood 9-6 with the Chi Psi's winning when time ran out and they were declared the victors.

### Games Forfeited

Sederstrom hall, the Dorm Counselors and Phi Delta Theta all won their games by forfeit, as Gamma hall, Straub Frosh and Pi Kappa Alpha, respectively, failed to appear.

## IM Schedule

#### Friday

- 3:50 Phi Delta Theta B vs. Pi Kappa Alpha B, court 40.
- Phi Kappa Sigma B vs. Alpha Tau Omega B, court 43.
- 4:35 Sigma Alpha Epsilon B vs. Chi Psi B, court 40.
- Phi Kappa Psi vs. Beta Theta Pi B, court 43.
- 5:15 Theta Chi B vs. Delta Tau Delta 8, court 40.
- Sigma Phi Epsilon B vs. Sigma Chi B, court 43.

# University Helps NCAA Give Rap

PORTLAND (AP)—The University of Portland gave full cooperation in an inquiry which led to a reprimand from the NCAA executive council, the athletic director said Wednesday, and now regards the case as "almost a closed incident."

The council scolded the school for holding what it said were tryouts of 11 prospective basketball players under the direction of head coach Art McLarney.

Athletic Director Ed Fiene described the sessions last April as "not exactly tryouts," but said "it's certainly not going to happen again."

"We had taken corrective action prior to the council's inquiry and gave them complete cooperation," Fiene said. "So therefore it is almost a closed incident."

Portland University was one of four schools cited in the NCAA report Wednesday. Western Illinois State College also was reprimanded. The University of Miami Fla. and City College of New York were suspended for one year.

## Like Water Off A Duck's Back

Just because ducks shed liquid off their backs like nobody's business is no reason to presuppose they don't sometimes slurp a little cool, sparkling, refreshing wet stuff down their gullets. Even in the rainy season (and this is it) a duck can work up a thirst. If you don't believe it ask somebody that owns one. Anyway if you want some place to spend a rainy afternoon becoming less thirsty, you can't beat
