

CAMPUS.....merry-Go-Round:

This weekend all campus eyes will turn to the first men's house dances of the year, and next weekend to Homecoming's Diary of Dreams and Roger Middleton's Upperclassmen... who the campus agrees can hold their own with many big name bands the Homecoming committee might have chosen.

The campus whirl of house dances began last week with the Tri Delt's presenting their first annual Cinderella Ball and Carson hall's Autumn Sorcery.

Each room of the Tri Delt house depicted a different scene from the fairy tale... Cinderella's home, the forest and the Prince's palace, complete with a garden. Dancers passed from the forest to the palace through life-size pumpkin coach.

Cleverly-designed masks were worn by the dancers at Carson's semi-formal... each girl made for her date and herself masks which were worn until unmasking at 10. Autumn colors of rusts, browns and golds carried out the theme combining the season with Halloween.

Also of interest are recent pinnings, engagements and weddings...

Mlle Announces College Contest

Mademoiselle magazine is now accepting applications from undergraduate women for membership on its 1954-55 College Board.

Girls who are accepted on the College Board do three assignments during the college year. Assignments give College Board members a chance to write features about life on their campus and to submit art work, fashion or promotion ideas for possible use in Mademoiselle.

College Board members who come out among the top twenty on the assignments will win a Mademoiselle guest editorship, will be taken to New York next June to help write, edit and illustrate the August college issue. They will be paid a regular salary for their month's work, plus round-trip transportation to New York city.

While in New York, each guest editor will take part in a full calendar of activities designed to give her a head start in her career. She will interview a celebrity in her chosen field, visit fashion workrooms, newspaper offices, stores and advertising agencies.

Nov. 30 is the deadline for applying for the College Board. The application should be in the form of a criticism of Mademoiselle's August 1954 college issue. Successful candidates will be notified of acceptance on the College Board early in December. The first College Board assignment will appear in Mademoiselle's August issue.
