IFC Proposes Grade Studies

Study Tables Possible For Fraternity Pledges

Freshman pledges who did not make their midterm grades will find themselves busy at study tables on school nights, the Inter-fraternity council decided Thursday night.

The proposal made by President Pete Williams to obtain mid-term grade reports of pledges to determine their "study status" was unopposed.

It was also suggested by the IFC president that senior ride rules be reviewed to the various pledge classes so that no misunderstandings would result through ignorance of laws.

- 2. No alcohol is permitted.
- 3. The student cannot be tied
- 4. He must be completely clothed.
