

Oregon Was Built With Lumber

Booth-Kelly Lumber Company

SPRINGFIELD

Associated Plywood Mills, Inc.

EUGENE

1896-1954 Yes, Lumber has made Oregon a great state. Here are just a few of the things that lumber has done for Oregon:

Scharpf's **Twin Oaks Builders Supply Company**

EUGENE

- Oregon is America's greatest lumbering state.
- Every year since 1938, more than 26 million acres of commercial forests have been harvested.
- Oregon's lumber goes to every state in the Union and many foreign countries.
- Forest products reach the total average of \$803,375,000 a year.
- Oregon produces about one-fourth of the nation's lumber output.
