

Dulles Strives For Truth in UN

WASHINGTON (AP)—Secretary of State Dulles disclosed Tuesday Dag Hammarskjold will fly to Washington Wednesday to give him a face-to-face report on United Nations efforts to free American airmen held in Red China.

"I want to get a direct, firsthand report from him as to just what took place," Dulles told a news conference.

In the meantime, he said, it is premature to say—as Senate Republican Leader Knowland of California has said—that the secretary general of the United Nations failed in his mission to Peiping.

Dulles Withholds Opinion

Dulles added that, as for himself, he is withholding judgment. He announced Hammarskjold was coming here at his request, and probably would be accompanied by Ambassador Henry

Committee Names Gibbs' Winners

Two national scholarships for college senior women are being offered for 1955-1956 by the Katharine Gibbs school. Each scholarship consists of full tuition for the secretarial training courses, plus an additional cash award of \$500.

Winners are chosen by the scholarship committee on the basis of college academic record, personal and character qualifications, financial need and potentialities for success in business.

Interested students may obtain full information from the graduate placement office in Emerald hall.

Cultural Contributions To Be Forum Theme

"Cultural Contributions to American Society" will be the topic of the University chapter of the National Association for the Advancement of Colored People's second forum of winter term, Thursday evening at 7:30 in the Student Union.

The panel will include Homer G. Barnett, professor of anthropology, who will discuss contributions of the American Indian, Theodore B. Johannis, instructor in sociology, who will discuss contributions of the American Negro, and Sylvan Karchmer, assistant professor of English, who will discuss Jewish contributions to American literature and drama. Joel V. Berreman, professor of sociology, will act as moderator.

Onthank Attends Seattle Conference

Karl W. Onthank, director of graduate placement service, left Tuesday for the Western College Placement association meeting to be held in Seattle Wednesday, Thursday and Friday.

Onthank, who has been secretary of the association for the past two years, will be a member of a discussion panel during the three-day conference.

"The purpose of this organization," Onthank said, "is to enable placement officers of colleges and universities and representatives of industry, to organize their efforts and to share experiences for their mutual benefit."

Theme of the Seattle conference is "Meeting the Demands of the Future." Representatives of Northwest industries, business and education will be in attendance.

Cabot Lodge, chief American delegate to the UN.

Asked whether his meeting with Hammarskjold implied loss of confidence in the secretary general's mission, Dulles replied:

Secretary Seeks Truth

"No, I am doing it because I feel that we owe a duty to the families of the prisoners to get all the information we can. I want to get it first hand for my own guidance and to inform the families.

"And I will probably be able, also, to explain to Hammarskjold the problems which we face here in this country in maintaining a position of standing aside to let the United Nations try to work this problem out.

"I don't think that can go on forever."

Knowland Brands 'Failure'

Knowland, speaking at Chicago Monday, assailed the Hammarskjold mission as "a failure by any fair standard or yardstick." He did not, however, renew his call for a blockade of Red China to force release of the airmen.

Under questioning, Dulles said he had talked at his home last Saturday with Knowland. But he declined, on grounds it was private, to say what he and the senator talked about.

Touching on a variety of topics during his conference, Dulles wrote off the Tachen Islands as not essential, or at best marginal, to the defense of Nationalist-held Formosa, but opened the door to any United Nations efforts to gain a cease fire in the Formosa Straits battles between the Nationalists and the Communists on the China mainland.

He declined to take sides with either Senator McCarthy (R.-Wis.) or Senator Johnston (D.-S.C.) in their dispute over interpretation of a State Department report on 80 persons McCarthy listed as Communists or disloyal individuals.

Yakima Milliners Report Beheading

YAKIMA (AP)—A beheading in a millinery shop puzzled Yakima police Tuesday.

There were no clues and they couldn't figure what anyone would do with a mannequin's head.

"It's enough," one officer commented, "to make me scratch mine."

Scandinavian Seminar To Expand Program

The Scandinavian seminar for cultural studies will start an expanded program with the coming academic year.

Formerly students have had opportunities to spend a year in Danish folk schools or residential colleges. This year, as an alternate to Denmark, students may select Norway, Sweden or Finland as a country to study.

Seminar members live with families and participate in group seminars to achieve closer contact with the Scandinavian people.

The cost of the nine month program, including board, room and tuition, is \$800 plus travel. Two \$400 scholarships are available.

Students interested may contact the American-Scandinavian Council for Adult Education at 127 E. 73rd street, New York.

Plans are being made to make the festival an annual event with a different theme each year, according to Robinson.

Southerners Down Churches Coalition

ATLANTA (AP)—Southern Presbyterians Tuesday defeated a plan to merge with their northern brethren.

Twelve of 24 presbyteries districts in the southern states voted against combining the 757,000-member Presbyterian church in the US (Southern) with the 2,500,000-member Presbyterian church in the USA. (mostly Northern) and the 229,000-member United Presbyterian church.

The 12 negative votes killed the proposal for the present. Twelve presbyteries already had voted against the move, and the 12 Tuesday provided a total of 24 negative votes.

Approval of three-fourths, or 64, of the 86 Southern Presbyteries would have been required for acceptance of the proposal.

Strange Case of THE FOOLHARDY SKIER

THERE was once a young fellow who decided skiing was as easy as driving a car on snow-covered roads. So one day he stepped into his new skis atop a slope, and pushed off. His friends were aghast! Such confidence! He knew little or nothing about the rules of skiing—how to turn—how to stop—how to use his poles and edges. What happened? That's right. He ran smack into a large tree. Everybody on the slope said he should learn the rules of skiing before taking such chances. But nobody mentioned that neither he—nor most of them—knew or practiced the rules of winter driving. Doesn't that seem awfully foolish—and childish—when you think of the terrible death toll from winter traffic accidents? Just in case, here are the six rules* of winter driving.

***THE SIX RULES OF WINTER DRIVING**

1. Accept your responsibility.	4. Use tire chains and good tires.
2. Get the "feel" of the road.	5. Pump your brakes.
3. Keep the windshield clear.	6. Follow at a safe distance.
