

Program Offers Year in Munich

"The Junior Year in Munich," sponsored by the college of liberal arts of Wayne university is an intercollegiate foreign study program open to students who have completed their sophomore year in an accredited American college or university.

Applicants for the Junior Year in Munich must have had two years of college German and the approval of his course of study by his home college. Applicants must also show superior scholastic ability and excellent character.

Students in the program are enrolled regularly at the University and may follow any course of study for which they are qualified. The departments at the University of Munich include theology, law, political science, medicine, veterinary science, philosophy, the natural sciences and physical education.

Expenses include: school fees, \$600; board and room, minimum about \$750; transportation, about \$450. Some scholarship assistance is available for students with an outstanding record who show real financial need. Applications for scholarships must be submitted together with the application for admission to the program, in accord with the instructions which will be supplied upon request.

Further information may be obtained from the director, "Junior Year in Munich," Wayne university. Application forms must be submitted not later than April 15.

Job Opportunities

Undergraduates interested in working for Boeing Aircraft during the summer in either the mechanical or business departments should contact Karl W. Onthank, director of graduate placement, as soon as possible.

Onthank stated that Boeing has indicated a need for men and women who are interested in working only during the summer months. Salary is adequate but the importance of the job lies in the practical experience and training the employee will get.

Persons employed during the summer may find that Boeing will hire them for full time work after graduation or when the student decides to work full time.

Students interested in further details concerning these opportunities should contact Onthank in his office on second floor of Emerald hall.

Neuberger Not For Toll Roads

WASHINGTON (AP) — Sen. Neuberger (D-Ore) said Tuesday he has joined Oregon's Gov. Paul Patterson in protesting toll road financing features of President Eisenhower's proposed 10 billion dollar road program.

He said a provision under which a state building a toll road would be given federal grants for other road construction as part of the interstate highway system, "would discriminate unfairly" against large, thinly populated states.

•Stock Market•

NEW YORK (AP)—The stock market, in one of its strongest advances of the past 15 years, sent the Associated Uress average of 60 stocks racing ahead to the highest level in its history Wednesday.

The vigorous rally followed a deep drop Tuesday on the heels of Russia's unexpected reshuffle of its high command.

The market began to climb shortly after the opening and snowballed into a major rally in the fourth hour and continued strong to the close.

Blaze Damages Student's Abode In Early Morning

An early morning fire caused an estimated \$1000 damage at the apartment of Donald McKown, 2316-1 Patterson Dr., Wednesday.

McKown, a senior in law, was attending classes at the University when the fire broke out.

The Eugene fire department disclosed that the blaze was reported to them at 9:02 a.m. It apparently originated in some kindling being stored behind an apartment stove. The fire spread quickly and the most damage was caused to the apartment floor and the timbers directly beneath it.

PEO Sisterhood Offers Awards

Two scholarships of \$250 each are now being offered to sophomore and junior women by the Oregon P.E.O. Sisterhood.

The state education committee of P.E.O. will select two winners and two alternates from the applications received. Basis for selection will be the woman's scholastic standing and financial need.

These scholarships will be deposited at the designated Oregon college where they will be available to the winners at the time of registration in September 1955. Women who will have reached junior or senior status by fall of 1955 are eligible.
