Flu, Rain Causes Delayed Aquacade

The Amphibian aquacade, scheduled for Feb. 16, 17 and 18, has been postponed to spring term, it was announced Wednesday by Olivia Tharaldson, president of the women's swimming honorary.

Reason for the postponement is the large number of swimmers in the infirmary or in bed with the flu. "We're also expecting greater all-campus interest in a water show during spring term than might be shown during the rainy months," Miss Tharaldson said. Newly scheduled dates for the water show are April 27, 28 and 29.
