Sigma Alpha Epsilon captured the league A basketball championship Monday afternoon by upsetting defending champion Phi Delta Theta, 36-32, in overtime, and Sigma Chi dropped the Phi Delt B squad, 32-21, to take the B crown.

Free Throws Aid SAE's

Sigma Alpha Epsilon used the same weapon it used to defeat the Straub Frosh last week in the semi-finals, free throws and a non-fouling defense. The SAE's hit only six field goals to 15 for the Phi Delt, but they sank 24 out of 29 free throws for a fabulous .828 percent. The Phi Delt, who were whistled down for personal fouls 16 times to two for SAE, sank 2 out of 4 free throws.

The winners' big scoring spurt came in the second quarter as they scored 12 points while holding the Phi Delt to five, increasing their 10-8 first period lead to 22-13 at half-time. Stan Savage dropped in six points in the second chapter.

The Phi Delt were trailing, 28-19, late in the third quarter, when Bob Wagner sank a free throw and field goal and Quincy Powers hit a jump shot to pull the Phi Delt up to only 28-24 at the start of the last period.

Rex Davis sank a pair of free throws at the start of the fourth quarter to give SAE their last points in the regular game. Harry Johnson dropped in a pair of field goals from around the key, and Dick Schlosstein sank a long push shot for the Phi Delt with 3:10 seconds to go to tie the score at 30-30 at the end of the regular game.

In the overtime SAE's deadliness from the free throw line paid off. Rex Davis, who had 8 for 8 for the game, sank 4 for 4 in the overtime, and Joyle Dahl, who also had 8 for 8 in regular play, sank a pair, to provide SAE with its winning margin. The Phi Delt's only counter was a field goal, a long jump shot by Powers.

Davis and Savage tied for high point honors in the contest with 12 points apiece. Davis added two field goals to his eight free throws, and Savage hit three free throws. Harry Johnson and Powers tied for tops for the Phi Delt with eight points apiece.

Phi Delt B's Lose

Sigma Chi topped the Phi Delt B squad, 32-21, to unseat the last year's king. The Sigs also made good use of the free throw in winning, sinking 18 out of 21, for .857.

The Phi Delt actually outscored Sigma Chi from the field, hitting eight field goals to the Sig's seven, but the Phi Delt sank only five free throws.

Sigma Chi jumped off to an 8-5 lead at the end of the first quarter, and increased its margin to 12-9 at halftime. In the third quarter Dick Reinhart and

Cougars Slate Windup Game

Washington State makes its last appearance in 1955 Northern Division play tonight at Moscow, Idaho, when the fourth-place Cougars meet cellar-dwelling Idaho.

It will be the fourth and last game between the two Palouse Hills rivals in conference competition and the Cougars have won two of the three and also a pre-season game between the two. Idaho stands one full game below WSC with three wins and ten losses while the Cougars sport a 5-10 mark.

If WSC wins it will assure them of fourth place in the league for the second straight year with Idaho keeping last place regardless of what they do against Washington this weekend. The Cougars will be favored because of their upset win over Oregon State Saturday but anything could happen on the Idaho court.

Idaho has a 6-16 season's mark as contrasted to their fine 1954 record of 15-8 while Washington State will go into the final game with a 11-13 record for all games played. Idaho has dropped considerably from their second-place-tie finish of last year in the conference after losing several veterans.

Bob Walberg scored four points each to give the Sigs a 21-14 third quarter margin.

Bill Heath and Don Holt hit quick baskets to pull the Phi Delt within three points, 21-18, at the start of the fourth chapter, but Sigma Chi, on its accurate gift tosses, rallied to ice the contest.

Dick Reinhart led the Sigma Chi attack with 12 points, and Alex Byler and Walberg chipped in with seven each. Greg Lininger scored 10 to pace the Phi Delt scoring.

Hobson Offers Hoop Rule Ideas

NEW YORK (AP) — College basketball will get a proposal to set up its own rules if the present national rules committee fails to come up with a satisfactory playing code this spring.

Howard Hobson, Yale coach who is to retire from the rules committee this year, said he will make the proposal in his report to the basketball coaches convention.

At the same time he will recommend a series of changes designed to eliminate freezing the ball for long periods, intentional fouling and too many time-consuming free throws.

Hobson, who makes a hobby of basketball research, outlined his program at a meeting of the Metropolitan Basketball Writers after a number of local coaches had discussed last week's "experimental" game between NYU and Manhattan under professional rules.

The changes he will recommend will include widening the foul lane, adoption of a time-limit for shooting by a team in possession of ball and a new system of awarding foul shots.

He would give one free throw counting two points for each

foul committed by the defensive team, whether or not the player fouled was in the act of shooting, and the treat offensive fouls or those made when the ball was free as violations.

In the latter case, the offending player would be charged with a personal foul and the other team would be given possession of the ball.

"If they are good changes, we should consider having them adopted on the college level and not let the high schools dictate to us because they can't adapt to them," Hobson said.
