

Duck Cindermen Set Willamette For First Meet

Coach Bill Bowerman's defending Northern Division champion Webfoot track team opens its 1955 schedule competition Saturday, March 26, with the Willamette university harriers at Hayward field.

Oregon's chief weaknesses will be in the weights and hurdles, according to Robert McCollum, assistant coach. "We'll probably be a Northern Division contender," McCollum added, "but that's about all we can say this early."

Distances Strong

The Ducks will be strongest in distance and sprint events. Bill Dellinger, NCAA mile champion, heads the list, with Ken Reiser, ND two-mile winner in 1954, and Jim Bailey, Australian 880-yard champ, rounding out the Webfoot distance big three.

Bailey is in his first year at Oregon, but will almost certainly be eligible to run in varsity action, said McCollum.

Letterman Sprinter Bruce Springbett is in Mexico with the US Pan-American games team, but will return for later meets. Other hopes are Dave Tafbot, Hank Loumena and Martin Pedigo.

Pedigo is also slated to broad-jump, as is Don McClure, winner of the Army title in Europe last year. Hurdlers will be Bill Sorsby and Doug Basham, with reinforcements expected from sprinters.

Bob Reid, Ken Hickenbottom and Russ Mannex are all veteran returning pole vaulters. Ben Lloyd and Jim Jones are shot put lettermen and Ed Bingham will throw the javelin. Quartermilers Leroy Campbell and Gordon Dahlquist round out the top squad prospects.

Frosh Slate Full

McCollum's Frosh track team probably will not run against Willamette, but has a full schedule for later competition. Jack Morris, holder of the state high school hurdle mark and sprint and hurdle man while in the service, tops the field for the freshmen.

Other good hopes are Don Meskimen, Eugene distance man; Denny George, Eugene sprinter and broad jumper; Don Steen, Canadian high jumper and runner; Sam Whitney, Benson of Portland state pole vault record holder; Marv Woods, Ashland quarter miler, and Bob Ayre and Jim Theiring, Marshfield hurdlers.

McCollum said that several good prospects were uncovered by the Frosh dorm track tournament just completed.

Delt's Win Title

Delta Tau Delta, a darkhorse contender throughout most of the season, became the 1955 intramural bowling champions Tuesday by a narrow margin of 90 points. Second place went to Alpha Tau Omega with Pi Kappa Alpha and Nestor hall following in order.

Trip South Eyed By Webfoot Nine

The Webfoot varsity baseball team is continuing its outdoor workouts this week as Coach Don Kirsch attempts to get the squad into shape for the five-game California tour starting against Stanford Monday, March 21.

The Ducks meet Stanford in a second game March 22, travel to San Jose State for a pair March 23-25, and finish against California March 26.

After being confined to the Physical Education building for the greater part of spring practice, the squad has moved outdoors and started regular infield workouts on the lower field. No intra-squad games have been held, but Kirsch hopes to get them started soon.

The Ducks will be at a disadvantage playing the California teams, which have had a considerably longer period to get into top game condition. San Jose State will have played six games before the Ducks play their first.

Kirsch is still looking for more starting pitchers. Oregon, de-

fending Far West NCAA champion, has a solid lineup of veterans all the way around except for pitching.

Norm Forbes, leading Northern Division hitter and pitcher in 1954, will carry most of the mound load. After Forbes come lettermen Bill Blodgett and Bill Garner. Ev Stiles and Jim Lehl are also counted on to see plenty of action. Garner and Lehl are lefthanders.

Also showing fair promise as hurlers are Dennis Olsen, who played infield for the Frosh last year, and Jack Nance, also from last year's Frosh team. The rest of the lineup is dominated by veterans from the 1954 team.

Dick Schlosstein is at first, Jim Johnson at second, Pete Williams at third, and John Keller at short. Williams is also trying out as a pitcher.

In the outfield are George Shaw, Jerry Ross and either Bernie Averill or Bob Wagner. Neal Marlett stacks up as regular catcher.

Promising sophomores include John Lundell, Sam Notos and Ken Bond in the infield, Jim Pingree, Terry Maddox and Fred Bell in the outfield, and Tom Bowen at catcher.

First home game of the season is against Portland university Thursday, March 31. Howe field is still soggy, but ground crews should have it in top shape barring more rain.

Concrete bleachers have been laid down in the west section of the stands, making a ring of concrete all around, in place of the old wooden seats. A permanent fence around the outfield is also planned for 1956.

Sederstrom Takes Frosh Track Title

Sederstrom hall's track team was presented the 1955 Track and Field championship trophy last night after it downed Omega, 48-38, Monday afternoon to win the freshman championship.

The meet was a playoff between the two strong teams after Sederstrom had downed previously-undefeated Omega Friday to send the tournament into the extra playoff. Sederstrom lost to Omega in first-round action, but romped through the consolation bracket to gain the finals in the double elimination tourney.
