

# Children To Be Guests At Operation Easter Egg

"Operation Easter Egg," sponsored by the junior class and the Eugene Active club, will take place April 9 beginning at 1:30 p.m.

Children from the first to third grades of Eugene public schools will be brought to campus living organizations where they will be

served refreshments. Following this they will go to the Easter Egg Festival, which will include a hunt and games.

A variety show especially designed for children will be presented in McArthur court starting at 3:30. After the play parents will pick up their children at Mac Court.

Campus living organizations will be paired to look after the children while they are on the campus. These paired organizations will color the eggs donated by the Active club at a dessert of the preceding Wednesday night.

Purpose of the Operation is to promote relations between the University and the community and to provide an opportunity for students to do something worthwhile for the community.

# Where's Georgi? USSR Keeps Mum

STOCKHOLM, Sweden (AP)—The Russians kept mum Tuesday on a topic of sudden interest in the West: Has something happened to ex-Premier Georgi Malenkov?

Rumors eddied this side of the Iron Curtain that the pudgy little man who resigned the premiership Feb. 8 with a confession of failure had disappeared or been executed.

Though such things have happened before in the USSR, the basis for the rumors appeared slight. And they cannot be proved by the Moscow radio or other Soviet propaganda mouthpieces. They said not a word about Malenkov.

However, a Swedish power delegation newly returned from a 17-day tour of the Soviet Union reported it received no information which would lead it to believe he has been liquidated.

The speculation over Malenkov arose primarily from three factors:

1. His failure to meet the Swedes personally.
2. His absence from the government box at the final session Saturday of the Supreme Soviet parliament of the Russian republic, largest of the 16 Soviet republics. He had attended the previous session, which began Wednesday.
3. The fact that social science teachers, meeting under Commu-

# 'Screwdriver' Is Thought a Liar

TULSA, Okla. (AP)—"What's your name?" policemen asked the man in a routine check of taverns.

"Alexander Merriweather Screwdriver and I'm from Muleshoe, Tex.," was the reply.

The disbelieving officers took the man to police headquarters for a further identification check.

The man was released after his social security card, driver's license and other identification showed he was Alexander Merriweather Screwdriver, of Muleshoe, Tex.

nist Party auspices in Moscow, sharply condemned "the anti-Marxist reasoning of certain economists who rejected the law of the primary development of heavy industry under Socialism." That shoe fits Malenkov, who advocated a greater output of consumer goods at heavy industry's expense.

# Dorm Plans In Progress

Operations are in full progress on the new Virgil D. Earl men's dormitory which will accommodate the majority of freshman men next fall.

The building activities are going on in three places, at the physical plant, where the furniture is being made; at the old Veterans' dormitory, where the new furniture is being painted; and at the Virgil dormitory, where the building is being filled with nearly completed living quarters.

The furniture is made of fir and birch wood and is being finished in natural blond varnish. The rooms are small and compact, but conveniently arranged. Facing the walls near the big windows are two desks. A pair of beds are arranged so that when not in use they can be pushed against the walls and used as davenport. There will be a portable light over the desk, which also can be focused over the bed. The closets, dressers, and storage compartments are near the door. The walls are made of concrete and hard plastic, while the floor will have a tile covering. The doors are now being sanded. All the rooms in the dormitory will be similar in detail except for minor color deviations.

The building, which will be completed by next fall, will cost each individual the same amount that the girls are paying to live in Carson, roughly \$15 per term more than at any other campus men's dormitory. This new dorm will not replace the Veterans' dormitories since it can accommodate only 332 students, which is less than the living capacity of the Vets dorms. This dorm will merely act as a supplement to part of that population.

The Earl dormitory will consist of four floors, with about eighteen men to a unit. Each separate hall will have its own lounge and dining room. In each lounge there will be a large fireplace and spacious glass windows.

# Dulles Says Western Unity Helpful to Peace Talks

WASHINGTON (AP)—Secretary of State Dulles said Tuesday with western unity now "an irreversible reality" the time is approaching for what could be "useful" discussions between the free world powers and Russia.

Dulles made no prediction on just when the United States and its major allies might get together with the Soviet Union. He said any such top-level meetings requires infinite planning and is certainly months away.

World disarmament and German reunification might well be on the agenda for any Big Four conference, he added. Both questions have been prime topics of Communist propaganda, if not action.

Dulles told the Senate foreign relations committee Russia seems ready to adjust to the reality of Western unity after failing to block it. Russian opposition in this sphere, he said, resulted in "the greatest failure in Soviet diplomacy that has yet occurred."

Of the Paris accords to rearm West Germany within the North Atlantic Treaty Organization, Dulles said:

"The Soviet Union exhausted every means at its command short of open war to try to prevent the result now before you. They have failed."

Dulles urged the committee to approve promptly the two treaties before it. One would restore West German sovereignty, the other would admit her as the 15th member of NATO.

# Alpha Hall Leads WUS Contribution

Alpha hall leads the competition for contributions to the WUS drive now being held on campus. To date they have collected \$22.54 from their members.

The drive ends Friday at 3 p.m. when WUS living organization representatives are to turn in their money at a meeting.

Contributions of other living organizations to date are as follows: Alpha Gamma Delta, \$14.80; Sigma Alpha Mu, \$12.27; Delta Upsilon, \$12.25; Phi Kappa Sigma, \$12.17; Hendricks, \$11.92; Kappa Kappa Gamma, \$11; Chi Omega, \$10; Sigma Phi Epsilon, \$8.10; Pi Beta Phi, \$8.01; Delta Gamma, \$7.10; Sigma Kappa, \$7; Carson, 5, \$6.79; Sigma Nu, \$6; Alpha Chi Omega, \$5.50; Delta Delta Delta, \$5.28; Theta Chi, \$5; Kappa Alpha Theta, \$5; Delta Tau Delta, \$4.34; Rebec, \$3.35; Carson 2, \$2.86; Orides, \$2.81; Chi Psi, \$.75.

A total of \$184.66 has been collected so far for the WUS drive.

GIANT WATER SLIDE **FREE** CAMPFIRE NIGHTS WED. & THURS.

**Winter SWIM Schedule**
