

'Kiss Me Kate' Opens May 20; Teague Stars

By Dorothy West
Emerald Reporter

The University Theater curtain will rise May 20 on the annual spring musical comedy, Cole Porter's Broadway musical "Kiss Me Kate." The performances which will start May 20 and 21, will continue their run from May 23 through 28.

The stormy romance of the Spewack book is combined with the spicy dialogue, gay music, and colorful costumes of the University Theater players under the direction of Horace Robinson.

Mary Lou Teague, who had the leading role in Brigadoon, will play the role of Kate. Doubling with Miss Teague in the part of Kate (Lilli) is a newcomer to the University Theater stage, Claire Fry, who comes from musical and stage background in the Chicago area.

Howard Plays Petruchio

Petruchio (Fred Graham), tamer of the incorrigible Kate, will be played by Gordon Howard, who has played in musical and non-musical productions.

The role of Bianca (Lois Lane) is also double-cast for the performances. Dalece Peterson, who was Jenny in "Contrast," and Gloria Lee, who is also one of the choreographers for the show, will play this role. Gloria will be remembered for her last season's role as Patti in "The Moon is Blue."

New Marine Corps Officer Candidate Program Planned

An entirely new Marine Corps Officer candidate program has recently been announced which is directed particularly to seniors graduating in June.

Known as the Aviation Officer Candidate Course, this program was authorized on April 21. College seniors may apply now for this program to enter this summer and fall after graduation from college.

Upon completion of a 10-week indoctrination course at the Marine Corps schools, Quantico, Va., the successful graduate will be commissioned as Second Lieutenant in the United States Marine Corps Reserve and designated as a student aviator.

Attends Flight Training

The student then attends flight training for a period from 15 to 18 months. After flight training the pilot serves a minimum of two years in the air branch of the Marine corps.

Initial salary of student aviators will be \$4400 a year, not counting an \$800 allowance for quarters.

Applications for this new program are being accepted now by the regular Marine Corps Officers Procurement Officers. For more specific details and further information contact the office of student affairs in Emerald hall.
