

History of Awards To Juniors Told

By Mollie Monroe

Junior Weekend, with its traditions and fun, is given added importance by the presentation of three annual awards to outstanding juniors.

These three are the Gerlinger Cup, the Koyl Cup, and the Maurice Harold Hunter Leadership scholarship.

The Gerlinger Cup is given each year to the junior woman who has been an "all-around" asset to the University. The recipient of this honor has the best combination of scholarship, activities, achievement, and personality in her class.

The rotating cup is given by Mrs. George T. Gerlinger, of Portland, a former regent of the University. She was very prominent in campus affairs, and it is she for whom Gerlinger Hall is named.

The woman who receives this trophy is selected by a committee of faculty, Eugene and student women. It was first given in 1918.

The Koyl Cup is given annually to the most outstanding junior man. The standards for selection are similar to those for the Gerlinger Cup.

The Maurice Harold Hunter Leadership scholarship—is presented each year to the Junior man who has contributed most through his own achievements and good example, to positive leadership in his class. The scholarship covers full tuition.

The recipient's name is engraved on a permanent plaque which is displayed in the Browning room in the SU. The scholarship is made possible through 2 gifts to the University by Honorary Chancellor and Mrs. Frederick Maurice Hunter, and Dr. and Mrs. Arthur Francis Hunter. The scholarship is given in honor of their son and brother, respectively, Captain Maurice Harold

Hunter, class of 1941, who was killed in action in Burma, January 31, 1945.
