Phi Psi, Phi Kap Take IM Triumphs

Phi Kappa Psi and Phi Kappa Sigma advanced to the semi-finals of the long-delayed intramural softball tournament Tuesday on victories over Sigma Alpha Epsilon and Nestor hall respectively.

Larry Anderson held the SAE's in check with a fine pitching performance for the Phi Psi's in their 2-1 triumph.

Bob Kubus opened the scoring for Phi Psi with a home run, but the SAE's tied the count and the winners came back to tally in the top of the fifth to bring home the

bacon. Stan Savage was the losing hurler and Stan Dvorak contributed a triple for the SAE's.

A fine pitching performance by Bob Hinman was marred by many errors, but Phi Kappa Sigma managed an 8-4 success against Nestor.

Gordon Nobruga's grand slam homer provided the victory margin for the Phi Kaps and Reed King smacked out two doubles for the winners.

Beaten on the softball diamond, the SAE's came back on the track field to cop a 36-18 decision over Campbell club. Jack Jennings won the 75-yard dash and ran on the winning relay team for SAE.

Myron Kinkbeiner captured both the 75-yard dash and broad jump for Phi Omega Psi, but Delta Tau Omega won every other event and scored heavily in depth to romp into the third round of the track tourney, 48-20, over the Phills.

Four Near Crown In Divot Action

Two fraternities and two independent teams moved into the semi-finals of intramural golf play this week as the bracket tournament rapidly approached its climax.

Defending champion Phi Delta Theta and Phi Gamma Delta both survived second and quarter-final-round action to move into the upper bracket semi-finals last week. Legal Eagles, runner-up team last year, and Hale Kane also got by their opponents to gain the round of four.

The semi-final rounds were to be played Tuesday at Oakway golf course with the final 18 holes to decide the championship slated Thursday. Winner of the golf tournament will get 75 intramural points.

The Phi Delta's got to the semi's by defeating Phi Kappa Psi and Beta Theta Pi in a pair of easy matches for the defending titlists. Phi Gamma Delta trounced Delta Upsilon, 12-0, in a second-round match and then nosed out Chi Psi, 6½-5½, in a tight quarter-final battle.

Legal Eagles, a team of law students, made the final four the easy way. They bounced Sigma Chi, 7-1, in a second-round contest, and then got a forfeit win when Delta Tau Delta and Theta Chi took too long to play their match. Hale Kane gained the right to meet Legal Eagles with a 7½-1½ win over Alpha Tau Omega in a second-round meet and then blanked Phi Kappa Sigma 9-0, in a quarter-final match.

Webfoots Eye Seattle For ND Track Defense

Favored to walk off with the Oregon Division track championship much easier than they did last year, Oregon's cinder-men head for Seattle this weekend and the 27th annual meeting of the ND meet Saturday.

In 1954 the Webfoots took the meet by one point over Washington on the strength of a clutch performance in the mile relay by Doug Clement. Winners of this year's dual meet crown for the second straight time, the Ducks boast the best overall team strength in the division.

Distance aces Bill Dellinger and Ken Reiser, who won the mile and two-mile respectively,

last spring, are back to pace the Oregon scoring. The other two Webfoot victors were Bob Faucett in the high jump and Fred Jacobs in the 440-yard dash. Faucett graduated and Jacobs is out of school.

This year, however, Bowerman has a strong sophomore fleet and a crew of varsity veterans which should contribute to the medalist total.

Reiser and Dellinger are strong favorites in their specialties provided that the Ducks' Jim Bailey stays out of the mile for the 880-yard fun. Reiser's school record of 9:20.4, set this year, is under the ND mark of 9:22.6 held by Denny Meyer of Washington.

Dellinger is definitely a threat to the 4:12.2 standard set by Idaho's Phil Liebowitz in 1940 if conditions are good, but if Bailey enters both the mile and half mile, the Australian could edge the Springfield junior for the title.

Bailey, who broke the 880 record in the three dual meets which he ran, is heavily pegged to take the half mile should he enter it.

With a good day, Martin Pedigo could both win the broad jump and break the ND standard of 24' 2½" set by Washington's Jim Hanton in 1938. Pedigo has gone 24' 1" this spring.

The Webfoot mile relay team has the best time in the division at 3:21.4 for another probable first.

Gordon Dahlquist is the other strong Oregon medal hopeful. The small Eugene senior has the best quarter mile time in the division at 50.1, but faces a loaded field in Henry Banks of Wash-

ington and Gary Dixon of Idaho, both within two-tenths of a second of him, and Bob Duncan of WSC, who has a 51.2 best mark.

Walker Cup Team Ready for the Cold

ST. ANDREWS, Scotland (AP) — Bill Campbell, captain of the U. S. Walker Cup team said Tuesday he was pleased with the way his forces were adjusting themselves to the conditions of the historic Old Course at St. Andrews.

In their practice rounds Tuesday, the Americans were greeted by a biting wind whipping over the 6,883-yard course from the North Sea.

Harvie Ward Jr., of San Francisco, veteran member of the team, wore fur-lined leather gauntlets between shots to keep his hands warm.
