

# 8 Net Squads In Quarter-finals Of IM Playoff

Eight intramural tennis teams, four from fraternities and four independents, advanced into the quarter-finals of the spring tennis championships last week.

The bracket was narrowed to the eight teams from an original field of 30 in two weeks of action that was featured by all eight matches being played with no forfeits marring action.

## Final Match Due Thursday

Quarter-finals in the tournament were to have been completed this week, with semi-finals slated for today and Wednesday and the championship final scheduled Thursday.

Legal Eagles, Beta Theta Pi, Dorm counselors, Campbell club, Hale Kane, Chi Psi, Sigma Alpha Epsilon and Delta Tau Delta were the eight survivors of the second round of tennis play. Hale Kane was runnerup last year while Campbell club was a semi-finalist.

Legal Eagles got to the third round by beating defending champion Alpha Tau Omega, 2-1. The Beta's gained the right to meet the lawmen with a 2-1 victory over Sigma Alpha Mu.

## Counselors Top Teke's

Dorm counselors trounced Tau Kappa Epsilon, 3-0, and Campbell club was the fourth member to gain the upper bracket of the quarter-finals by dumping Sigma Chi, 2-0. Hale Kane beat Theta Chi 2-1, Chi Psi downed Straub frosh, 3-0, Sigma Alpha Epsilon edged Sigma Nu, 2-1, and the Delt's knocked off Phi Gamma Delta, 2-0, in other second-round matches.

Winner of the tennis tournament will receive 100 intramural points in the yearly race to decide the intramural champion.

# Webfoots Prep for Playoffs; Forbes Tops Final Figures

Oregon's championship baseball team, winner of its third consecutive Northern Division title last weekend, worked out briefly Monday as the regulars rested and watched the reserves perform.

The Webfoots have some rough workouts set for later in the week as they will attempt to get in top playing form for the Pacific Coast Conference playoffs in Los Angeles Friday and Saturday.

Southern California, champs in 1954, repeated this year and will furnish the opposition for Oregon. A single game will be played

## Jim Pifher Paces Frosh With .583

Oregon's Duckling baseball squad, one of the hardest-hitting freshman crews in years, finished up their first ten games last week with a potent .347 team average.

Individual averages found five Duckling regulars hitting over the .400 mark, with Jim Pifher leading the way on the strength of a .583 percentage. The affable Baker shortstop missed two games with a sprained ankle but collected 14 hits, including three homers, in his 24 trips to the plate.

Following Pifher among the regulars was Centerfielder Jerry Urness, who rapped out a highly respectable .462 mark, and led in the run-batted-in column with 11.

Rightfielder Jerry Urness was the extra-base king. The big cleanup hitter, who is built along the general lines of a filing cabinet, powered out four triples, a double, and a home run, finishing with a .412 average.

The Ducklings will get most of their competition this week from the varsity jayvees, and Coach Bob Basich will also attempt to schedule Eugene high.

## Frosh End Year With OSC Meet

Coach Bob McCollum's undefeated track and field team will attempt to end the season with a perfect record as they invade Oregon State's Bell Field Thursday for their third meet with the Rooks. In the two previous encounters Oregon won by large margins, and they are heavily favored to repeat.

Oregon State has strength in the hurdles, the sprints, the shot put and the high jump. Main cog in the Rook machine is 6'8" Wayne Moss, who has high jumped 6'4" and consistently throws the shot 44'.

Rooks Bill Fredericks and Al Leipan are strong in the hurdles, and Sam Wesley, now that spring football workouts are finished, should get points in the sprints.

Oregon's Bob Drynan is a cinch to pick up points in the distances, as OSC is very short-handed in those events. Jack Morris bettered varsity times in the century and low hurdles in the Oregon-OSC meet May 14.

Sam Whitney will pole vault and run the high hurdles, and versatile Don Steen will probably enter the high hurdles, the javelin and the discus. Paul Tucharth will make a strong bid for points in the discus, and other weight men include Jerry Kershner, Norm Chapman and Bill Alvorado.

gon hitters for the Northern Division season with a corrected average of .556 on 15 hits in 26 at bats. George Shaw spurred to finish with .354 and led in hits with 17. Dick Schlosstein batted in 15 runs to lead in that department while John Keller and Jerry Ross knocked in 10 apiece.

Posting victories on both Friday and Saturday, Terry Maddox wound up with a pitching record of six wins and no losses and an earned run average of 2.25. Combined staff ERA was 4.09.

## NL Huklers Find 'Klu' Back Again

NEW YORK (AP)—Ted Kluszewski, the famed "Mr. Muscles" of the Cincinnati Redlegs, finally has started belaboring National league pitchers with home runs and base hits in the manner to which they're accustomed.

Kluszewski slammed three homers last week to deadlock Duke Snider of Brooklyn for the lead at 11. He also collected nine other hits in 23 at bats—a .522 pace—and pushed his batting average to .321, good for a sixth place tie with Milwaukee's Johnny Logan.

The veteran Redlegs' first baseman hit 49 homers in 1954 and for a time threatened Babe Ruth's all-time mark of 60. For the record, both he and Snider are all even this season with the Bambino's 1927 pace.

# Phi Delt's, ATO Grab Victories In Track Meets

Phi Delta Theta and Alpha Tau Omega moved into the quarter-final bracket of intramural track and field competition as they powered to wins over Hale Kane and Sigma Chi Monday.

The intramural softball final between Sigma Chi and Phi Kappa Psi, originally scheduled for Monday, was postponed until Wednesday or Thursday because of a conflict in dates. Final decision on a date will not be made until later today.

The Phi Delt's, who gained the semi-finals by whipping Sigma Nu, piled up 52 points to 17 for Hale Kane, which got in via a forfeit win over Cherney hall. Bob Wilcox was a double winner for the Phi Delt's. He took the broad jump with an effort of 19' 8" and collected a second blue ribbon in the 75-yard dash.

ATO, after downing Philadelphia house to make the semi-finals, drubbed the Sig's, 44-24. Sigma Chi had moved up by edging Delta Tau Delta, 35-33. Standouts for the ATO's included Jerry Ross, who won the sprint and ran a leg on the winning relay team; Al Morris, winner of the pole vault and 3/4 mile and Max Anderson, who took a first in the hurdles and tied for first in the high jump.

Action today finds Sigma Alpha Epsilon, victors over Campbell club in the last round, pitted against Beta Theta Pi, who won by forfeit over Phi Gamma Delta. Sigma Phi Epsilon, forfeit winner over Tau Kappa Epsilon, takes on Theta Chi.

In composite Northern Division baseball standings since 1930, Oregon leads the league by far with a .614 winning percentage.
