OREGON DAILY EMERALD

# **Graduation Tickets** Now in Alumni Office

fice on the mezzanine of the Stu- nancial need, Anderson said. dent Union.

All seniors are also urged to register as early as possible in the alumni office to fill out graduate record questionnaire forms for the permanent alumni files.

The regular yearly alumni dues have been reduced from \$4 to \$2 for graduating seniors for the first year. Life membership dues are \$66, payable in installments of \$12 a year for a six year period. Seniors may assign breakage fees for the first installment.

#### 25,000

The alumni office, which has permanent records on approximately 25,090 alumni, urges seniors to remember to notify the office in the event of a change of address.

Alumni chapters of the University of Oregon exist in such cities as New York, Washington, D.C., Seattle, Spokane, Portland, San Francisco, Los Angeles, Honolulu and Manila as well as in many smaller cities.

#### Advantages

Advantages to the individual belonging to the alumni association, according to Les Anderson, secretary, are: the Old Oregon magazine, the opportunity to participate and vote in the organization, the opportunity to order tickets for athletic events through the athletic application, and special bulletins about the University and members in the individual's locality.

The Alumni association exists to accomplish things for the University that the University

### Inga Shipstead Is **Amphib President**

Inga Shipstead was elected president of Amphibians for next year at an election meeting May 16.

## NAACP Counsel **Tells of Inequality**

(Continued from page one) since slavery was abolished, Marshall said. Since May 17, 1954, desegregation has progressed in every state except Mississippi, Alabama, Georgia, Florida and South Carolina, he said.

#### Klan . . . Dead?

The Ku Klux Klan may be dead but its spirit lives on, he warned.

Authorities insist that Negroes can not be admitted to colleges and universities for three reasons: the whites would withdraw, the state would take away the money grants, and thirdly, violence would increase.

Marshall refuted these arguments by referring to the 3000 Negroes who are attending graduate and professional schools in the south today. The white students accept the Negroes gladly, he said.

Integration of whites and Negroes is the responsibility not only of the government but also of every American citizen, said Marshall. Until desegregation is accomplished America will not be able to take the place n the world that she deserves, he warned.

THICK IN THE Copyright 1937 by Beverly Osborne EHIEKEN NONEY AND NOT BUTTENED MOLLS Packed Individually

OPEN FROM 9:00 A.M. DAILY & SUNDAYS TILL 11:00 P.M. How can a man tell if he'd like a career in food retailing?

А.

A.

Ask yourself-do you want a career where you can use the things you're learning now to help you get ahead? Do you want a job with lots of variety . . . one where you can meet and deal with people . . . one that calls for organizing ability? If so, chances are you'd like food retailing. A careet with Safeway has these advantages -and others, too.

What's the future in food retailing?

It's "wide-open" for young men of ability. Good times or not, people will always buy food. So food retailing is a steady field, offers steady jobs. And because it's a fast-growing field (there will be 15 million more people to feed by 1960) there's a lot of room for a man to move ahead quickly.

What makes Safeway a good place to start in food retailing?

For one thing, starting salaries in A. Safeway stores are very good-usually around \$300 a month. Young men in Safeway careers can look forward to making double that - or better-in a few years, and to further advancement if they're capable. These careers offer many chances to get ahead, to learn your specialty as you earn, and to reach better pay levels than in many other fields.

> These are things worth thinking about as you look ahead to a career, aren't they?

There's a career to look forward to in food retailing at SAFEWAY

One in a series about career opportunities in a challenging field
