six-pointer of their own. Quarterback Marty Bezyack ran a Duck punt back 35 yards which started the drive. Eight plays consumed 30 yards and the march ended when halfback Herb Nakken skirted end for four yards. George Boss tried his luck at converting and left-footed the kick through the up-

long drive. James picked up 12 yards in two tries and the Ducks were on their own 21. Morris added four and Shanley collected seven yards to further run out the clock. Morris went to mid-field on a fourth down situation to retain possession for Oregon. James, who picked up 91 yards for the night, ripped off a 19-

yard run and was followed by Shanley with an 11-yard gallop. Finally, with 26 seconds left, the Redskins got the ball on their own two-yard line as Crabtree was stopped short of a score. The Utes clicked on two passes in three tries to move to the Duck 44 as the final gun sounded.

Ducks Wait USC For First Test In Loop Action

Coach Len Casanova's ground power offense gets an early season service test Friday night when the Webfoots fly to Los Angeles for their Pacific Coast conference opener against highly regarded Southern California.

Last year the Ducks stayed even with the Trojans for the first half of their NCAA television game of the week, but Oregon was unable to hold Jon Arnett in check and the sophomore seatback personally engineered a 24-14 victory for USC.

Arnett is back this season and appeared as fit and fleet as ever in his two-touchdown role of Southern Cal's 50-12 whitewashing of Washington State.

In addition to Arnett, Coach Jess Hill boasts veterans Jim Decker at fullback and Ellsworth Kissinger at quarterback, plus lanky Leon Clarke and Chuck Griffith as two of the top ends on the coast.

Casanova will counter the Troy speed with veteran Dick James and a flock of sophomore fleetfoots. Jim Shanley, Jack Brown, Jack Morris, Chuck Osborne and Fred Miklancic showed brief flashes against Utah last Saturday and are counted on to open up Friday in the Coliseum if the turf stays dry.

Washke Again On Rules Group

For the second straight year Dr. Paul R. Washke, director of the University of Oregon intramural program has been appointed as Pacific coast representative of the National Touch Football Rules committee.

The committee is responsible for yearly revisions in the National College Touch Football Rules handbook. The group, which includes representatives of twelve districts of the United States, will publish a second revised edition of the handbook for the 1956 season.

Washke's district includes Oregon, Washington, California, Nevada and Idaho.
