

Fulbright Applications Are Due in One Month

One month remains in which to apply for graduate study abroad under the Fulbright and Buenos Aires Convention programs for the 1955-56 academic year, according to Kenneth Holland, president of the Institute of International Education.

Scholarship application blanks are available at the Institute, 1 East 67th street, New York City, and here on the campus in the office of K. S. Ghent, Fulbright advisor. A brochure describing the overseas study may be obtained from the Institute.

1,000 Will Study

The programs under the Fulbright Act and the Buenos Aires Convention for the Promotion of

Inter-American Cultural Relations are part of the international educational exchange activities of the Department of State. They will give almost 1000 American citizens the chance to study abroad during the 1956-57 academic year. Since the establishment of these programs in 1947, over 4,600 American students have received grants for study.

Countries where U. S. graduate students may study under the Fulbright program are Australia, Austria, Belgium and Luxembourg, Burma, Ceylon, Chile, Denmark, Egypt, Finland, France, Germany, Greece, India, Japan, the Netherlands, New Zealand, Norway, the Philippines, and the United Kingdom.

Some Grants Limited

This is the first year in which awards have been available in Chile under the Fulbright Act. In the Asian countries, Burma, Ceylon, India, Japan, and the Philippines, as well as in Greece, only a limited number of grants are available. Mature graduate candidates are preferred.

Countries participating in the Buenos Aires convention program are Bolivia, Brazil, Chile,

Colombia, Costa Rica, Cuba, Dominican Republic, Guatemala, Haiti, Honduras, Nicaragua, Panama, Paraguay, Peru, and Venezuela.

Requirements Listed

Eligibility requirements for these foreign study fellowships are United States citizenship, a college degree or its equivalent at the time the award is to be taken up, knowledge of the language of the country sufficient to carry on the proposed study, age 35 or under, and good health.

Final selection of Fulbright grantees is made by the Board of Foreign Scholarships appointed by the President of the United States.

Awards under the Fulbright Act are made entirely in the currencies of participating countries abroad. The awards cover transportation, expenses of a language refresher or orientation course abroad, tuition, books, and maintenance for one academic year.

Awards under the Buenos Aires convention include transportation provided by the United States government and tuition and maintenance allowances provided by the host governments.

LET'S GO! IT'S LUCKY DROODLE TIME!

WHAT'S THIS?
For solution see paragraph at right.

IF YOU'RE UP A TREE about what cigarette to smoke, there's a pleasant point of view in the Doodle at left. It's titled: Davy Crockett enjoying better-tasting Lucky as seen by b'ar in tree. Luckies taste better for a *hatful* of reasons. First of all, Lucky Strike means fine tobacco. Then, that thar tobacco is *toasted*. "*It's Toasted*"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better... cleaner, fresher, smoother. So set your sights on better taste—light up a Lucky yourself!
