

STUDENT VERSION

Parody of Hamlet Scheduled for SU

A student movie version of William Shakespeare's "Hamlet" will be shown in the Student Union Oct. 11.

The farical production, done by five speech students in 1952, was directed by Jim Blue, graduate in speech, who will narrate the film.

Since it was filmed, the movie has been shown to over 2,500 people, and has been featured in three national theatre magazines.

Done in 'Micro-Scope'

Because the wide screen and Cinema-scope had not been introduced at that time, the movie was done in "Micro-scope," according to Blue, commenting lightly on the fact that it is an 8 mm film without sound. Blue's narration and musical background add to the effect, he added.

The entire show was done by five students, who somehow managed to portray all parts. One actor, Bob Chambers, plays ten different parts at various times and under different disguises. He dies in four of these

parts, and is dead in another, that of the ghost of Hamlet's father.

Three of the participants got their start in the "movie" profession with this film. Blue was active in the University theatre

during his undergraduate years, and is now taking graduate work in movie directing.

Chambers and Al Barzman, who plays the lead, are now also taking graduate work at Boston University, specializing in motion pictures.

Blue directed a second movie this summer, titled "The Silver Spur," a parody on Westerns. Barzman and Chambers also worked on this project.

State Department Test To Be Given at Oregon

Examinations leading to a position with the U. S. Department of State have been scheduled in 65 cities, it was announced recently.

State department in Washington, D. C., will be on campus Oct. 13 to interview interested students. Belton will be available at the Student Union after 1 p.m. on that date.

Students to be eligible must be between 20 and 31 years of age, a U. S. citizen of at least ten years standing, and, if married, married to an American citizen.

Beginning salaries for foreign service officers range from \$4400 to \$5500, according to the department, and additional benefits include insurance, sick leave and a retirement plan. Approximately 300 officers are expected to be appointed for positions both in Washington and in 77 countries throughout the world.

Additional information may be obtained from M. D. Wattles, assistant professor of economics, or K. W. Onthank, associate director of student affairs.

Rally Board Plans New Organization

A new organization, the rally committee, is being initiated this year on the Oregon campus. It will be composed of one member from each living organization and will operate under the supervision of the rally board and will serve as the campus "pep club."

Officers will be elected and weekly meetings will be held. This organization will aid the rally board in skits and rallies and will serve as promotion agency for the games, traditions, and similar activities on campus.

Living organizations are urged to elect their representatives as soon as possible. The first meeting will be held next Wednesday.

Campus United Appeal Continues Among Staff

The United Appeal drive, being carried on this week by the faculty and staff of the University, is nearing completion with only two days left before the campaign closes.

Co-chairmen of the drive, W. A. Dahlberg, associate professor of speech, and Si Ellingson, Student Union director, have appointed five captains, each in charge of collecting donations in assigned areas. Captains include: Earl Pomeroy, acting head of the history department, Robert J. Richman, instructor in philosophy, Francis E. Dart, assistant professor of physics, Colonel Edwin B. Daily, head of ROTC, and W. N. McLaughlin, assist-

ant business manager. Donations are also being collected on the payroll deduction basis.

The United Appeal is a combined effort of the Red Cross and the Community Chest, including its 29 services, in one big money-making project.

Several distinct advantages have been derived in combining these two annual drives in one; time and effort of volunteers is considered by asking them to solicit one time only; multiple appeals are prevented; and campaign costs are saved. Solicitors may designate which agency of the "chest family" they want to contribute.

The student United Appeal fund-raising project, headed by chairman Margaret Tyler, will begin Monday, Oct. 10th, continuing throughout the week.

4 UO Graduates Receive RO Bars

Four 1955 University graduates received commissions as second lieutenants in the Air Force after attending training camps this summer.

They were among forty university students who completed four-week training sessions at ROTC summer camps in the West.

Ronald S. Carlson, Portland, received his bars at Fairchild AFB, Spokane.
