Sen. Merrifield To Speak Tonight

State Senator John C. F. Merrifield, Multnomah county, will speak at 7:30 p.m. tonight in the Student Union. His appearance is sponsored by the University chapter of the Young Republican College League.

He is the first of a series of speakers that the organization will bring to the campus this year to discuss various phases of the political scene.

Among notable speakers slated later in the year are U.S. Congressman Harris Ellsworth and State Representative Loran L.

JOHN C. F. MERRIFIELD Oregon State Senator

Stewart. Governor Patterson may also be asked to speak at a meeting in the spring.

These speakers are being brought to the campus in accordance with the policy of the Young Republicans, which is to widen student horizons in the field of politics.

Other activities of the group include influencing the Republican Party policy by resolutions passed at annual conventions, and fostering better understanding of State and Federal Governments through visits to the State Legislature and political officials.

Further aims of the organiza-

tion are to develop leadership of ability and train in citizenship. The club gives students an opportunity to be active in political campaigns through precinct work and publicity activities.

All interested persons are invited to attend tonight's meeting. Refreshments will be served.

Homecoming Theme Set

"An Open Door, for Alums of Yore" will be official theme of Homecoming weekend, according to general co-chairmen Sally Stadelman and Dick Blue.

Submitted by University house, the theme was chosen "because it rhymes and it can be used by all houses on campus," the chairmen explained.

Even more important, they believe, is that it stresses the importance of University alumni and their part in the weekend.

Petition deadline for sub-committee chairmen is today at 5 p.m., with petitions due at Delta Gamma, Sigma Chi or the Student Union petition box, third floor.

The chairmanships are dance, luncheon, publicity, promotion, bonfire, variety show, half-time entertainment, hospitality, queen selection, sign contest, noise parade, finance, traditions and weekend secretaryship.

Interviews for petitioners will be conducted tonight at 7 in the SU, with room number to be posted.

No Holiday Friday

The Office of Student Affairs announced Wednesday that, contrary to a previous release, Friday, Nov. 11 will not be a holiday. Classes are scheduled as usual.

EUGENE HEARING AND SPEECH CENTER students are shown hearing with the aid of a head set that amplifies sound. Contributions from the United Appeal drive support this center and 29 other agencies in the county.

Silence? — or your help. The little boy and girl pictured here are both students at the Eugene Hearing and Speech Center. They are hearing for the first times in their lives, with the aid of a head set that amplifies sound.

The Hearing and Speech Center is but one of the 30 agencies in this county that is financially supported by contributions from the United Appeal drive. Some of the others supported by the United Appeal are: the American Red Cross, Pearl Buck School for Retarded Children, the Girl and Boy Scouts, the Boys' and Girls' Aid society, St. Mary's Home for Boys, Waverly Baby home and the Mental Health association.

Margaret Tyler, general chairman of the drive, states, "Since this is the only big charity drive this year, I hope all the students will give, and give generously." The goal set this year is 55 cents per student.

Soliciting for this annual campaign is being carried on by Kwama and Skull and Dagger within the various living organizations this week. The campaign will conclude tomorrow.

If a living organization has not been contacted, call Russ Walker, YWCA director, ext. 429.
