# Pet Owner Gets Eviction Notice

An eviction notice has been sent by the University ordering Easton Cross to move out of the Amazon housing project by Nov. 14 because he owns a dog, a cat and two kittens.

Cross moved into the project on April 19, 1955, two weeks after a ban on pets went into effect. The project had started out with a no-pets policy, but in April, 1953, project residents voted that pets should be permitted.

Another vote was taken in March, 1955, banning pets again.

Cross admitted he had heard rumors about the ban, and according to Ray Hawk, associate director of student affairs, he was aware of the regulation when he moved in, and was taking a "calculated chance."

# 2 Captains Assigned To Air ROTC Staff

Two Air Force captains have been appointed to the AFROTC staff at the University of Oregon to replace departing personnel. Captains Norman C. Lamb and Chester I. Ferguson fill positions left by Lt. Col. Robert Forbes, transferred to Oregon State, and Lt. Col. Charles J. Purcell, now on duty in Germany.

Captain Lamb saw duty in Europe during World War II after graduation from Washington high school in Portland. Returning to the U. S., he was graduated from Oregon in 1949, and recalled to active duty as a jet pilot in Japan in 1951.

Since January, 1954, he has been at Hamilton AFB, Calif.

Captain Ferguson served as instructor to West Point cadets at

Stewart Field, N. Y., in 1942, and was in the Far East three years following. From 1948 to 1954 he was alternately in the Berlin airlift, at Biggs AFB, Texas, and in Sidi Slimane, French Morocco, as base controller. Before coming to Oregon he completed the academic instructors' course at Maxwell AFB, Montgomery, Ala.

Also new to the staff this year is Master Sergeant Enloe R. Grey, an April appointee, replacing M-Sgt Howard A. Case. Sgt. Grey came to Oregon from Elgin AFB, Fla., where he at one time was monitoring a \$40 million construction project. Elgin is a proving ground and testing base for pilotless aircraft and guided missiles.
