

+ Campus Briefs +

• There will be a very important meeting of all ad salesmen today in the Emerald office at 4 p.m. The following people should contact either Laura Morris or Jim Carter if they are unable to be there: Don Lovett, Kay Macy, Valerie Gilman, Charmion Ford, Arlene Kraus, Sharon Rafferty, Cynthia Rukovina, Willy Cox, and Dan Lees.

• Emerald assistant managing editors, make-up editors, copy desk, night staff, photo staff, office manager, office staff, advertising manager, business managers, advertising salesmen, advertising proofreaders, and layout staff; classified manager, national manager, circulation manager and secretary pictures will be taken today at 4 p.m.

• All scholarship applications must be turned in by March 1 according to Karl Onthank, associate director of student affairs. Scholarship renewals are due on that date also. No scholarships are automatically renewed.

• The ASUO Millrace committee will meet tonight at 6:30 p.m. in the Student Union. Main item on the agenda will be discussion of the campus fund-raising for restoration of the stream.

• The senior cabinet of the YWCA will not meet as scheduled Wednesday noon, but will meet at 4 p.m. Wednesday in the Student Union to hear the panel discussion.

• Phi Chi Theta, national business women's honorary will have its annual doughnut sale on Thursday. Houses on campus will be contacted for orders. The

doughnuts are being sold for 60 cents a dozen. They will be delivered to houses ordering them. Anyone wishing to order may call Marie Cockerham at 4-3875.

• Delta Nu Alpha, national transportation fraternity, will meet at 7:30 tonight in the Student Union. Plans for the field trip to San Francisco will be discussed and arrangements for initiation of new members will be made.

• White Caps will meet Wednesday at 12 p.m. in the Student Union. Members have been asked to bring sack lunches. Guest speaker, Mrs. Reithal, will speak on her experiences with nursing in Europe. All pre-nursing students have been invited.

• Several women's blazer jackets used earlier this year during individual Oregon picture photography can be claimed by their owners by contacting the Oregon office, according to Sue French, yearbook editor.

• Members of the Greek Week publicity committee will meet in the Student Union at 6:30 this evening. Room number will be posted on the bulletin board in the lobby.

• Episcopal students are invited to the Lenten Wednesday morning celebration of holy communion at 7 a.m. in Gerlinger hall. Breakfast will follow.

• The community project committee for Greek Week will meet at 4:45 today in the SU. Jim Carter and Gloria Jenkins are co-chairmen.

• Student Traffic Court will meet tonight at 7 at the Student Union. Students who wish to question tickets received recently may do so at this time.

• The executive committee of the YWCA will not meet Wednesday according to Jean Sandine, YW vice-president.

• Skull and Dagger will meet tonight at 6:30 in the Student Union. The room number will be posted.

• The women's swimming honorary, Amphibians, will meet tonight at the women's pool in Gerlinger hall at 7:30.

• The Greek Week games committee will meet today at 4:30 in the Student Union. The room number will be posted.

SU CURRENTS

Coffee Forum Meets

A coffee hour forum committee will be held today at 4 p.m. in the Student Union. The room number will be posted. The Thursday coffee hour for John Mason Brown will be discussed.

To Discuss Publicity

Members of the skeleton committee of the Student Union publicity committee will meet today at 1 p.m. in SU 313. Coming special events publicity is on the agenda.

Wednesday Film Free

"A Bell for Adano," is the educational film scheduled to be shown at 7 and 9 p.m. in the Commonwealth, room 138, Wednesday. No admission price is charged.

Directorate to Meet

A Student Union Directorate meeting will be held at 4 p.m. today in the SU room 313, according to Lucia Knepper, directorate chairman.

Pershing Society Organized Here

A University unit of the National Society of Pershing Rifles is now being organized and should have its charter soon. Junior Oliver Huff, executive officer of the newly-formed group, made this announcement last week.

According to Huff, the unit is waiting for an o.k. from national and regimental headquarters. Huff added that the charter should come "in the very near future."

The University organization will be known as Company G and is open to basic ROTC students rather than advanced course cadets. Huff said that it would be similar to Scabbard and Blade, the advanced cadet honorary.

Twenty-eight basic ROTC cadets are pledging, Huff said. Eligible are freshmen with a 3.0 cumulative grade point average who have an A in ROTC, and sophomores with a 2.5 and at least a B over-all ROTC average.

An initiation date for new members hasn't been named yet, Huff said. It will probably take place as soon as the regimental commander comes down from 11th regimental headquarters at Oregon State college.

The unit held an organizational

meeting last Thursday. Huff said that the group would meet again Thursday, when Lt. Col. R. D. Evens, professor of military science and tactics, will give a talk. Lt. A. T. Smith is advisor to the group.

The company will drill together, separate from the regiment and drill team, Huff said. They will have one meeting per week, plus drill.

Members are to receive, upon qualification, service stripes, chevrons, and special national awards.

ROTC Honorary To Hold Meeting

Air Command Squadron, basic AFROTC honorary, will hold a meeting tonight at 7 in the Student Union, according to Squadron Commander Howard Timmons.

Discussion of the national ACS convention in Buffalo, N.Y., and a question and answer session with one of the AFROTC detachment officers is planned. Refreshments will be served and room number will be posted, Timmons stated.

New KWAX Show Features Hinkson's Views on Events

"The ASUO President Speaks," a new campus show on KWAX by Bud Hinkson, ASUO president, will be broadcast each Tuesday night at 7:15 p.m., beginning tonight.

The show will feature Hinkson's views on campus events and guests that he feels students should be better acquainted with, such as this week's guest, Phil Lynch, athletic representative of the ASUO.

Different phases of the student government program at the University will be discussed by Hinkson on tonight's show.

Students Prepare Chinese Exhibition

Senior students in the art education program have constructed an exhibition of "Creative Peaks of Chinese Art" which will open tonight at the Museum of Oriental Art. Brief gallery talks and two motion pictures have been planned for the reception, which will be held from 7 to 9 p.m.

The exhibition is the second since the fall of 1953, and is planned to coordinate the activities of the art museum with the educational program of the university.

Class displays show the great creative epochs in art history. Pieces were selected from the Murray Warner collection of Oriental art, and have been combined to suggest a Chinese house and garden.

An arrangement of pottery wares which shows the chronological development of the art of ceramics is included in the display.

Men Clubs Cancel Trip for Students

Eugene men's service clubs who were to sponsor the spring term trip for foreign students to Southern Oregon have postponed it for this year, but expressed interest in the trip for another year.

The plan was abandoned because the clubs contacted were too busy with their present projects to undertake another activity. A committee will continue to work for the steering committee of Foreign Students Friendship board, making plans for spring vacation of 1957.

A Campus-to-Career Case History

Cliff Downer (right), A.B. in Mathematics, '49, M.S. in Civil Engineering, '50, Harvard, on the site of a building construction project.

"Projects you can sink your teeth into"

Clifford J. Downer started his telephone career in the building engineering department of The Southern New England Telephone Company. At present he is working with the Bell System's manufacturing unit, Western Electric, helping to build facilities for housing a Continental Air Defense project. His assignment: a key liaison job in supervising a subcontractor's work on a several million dollar construction operation.

"One of the most interesting features of my present job," says Cliff, "is making decisions on the spot. For example, drawings showed where bedrock for footings would be reached. Excavations revealed a poor grade of rock. How much further

down do we go? A hundred workers and tons of equipment are waiting for the decision.

"There's a lot of future for a civil engineer in the telephone business. New and smaller types of telephone equipment will probably change our ideas about how telephone buildings should be built. It's fascinating work, all right. And broadening, too, because it's leading me to other engineering fields.

"It looks to me as if there are real challenges ahead — projects you can sink your teeth into. Besides, I'm convinced the telephone business recognizes and regards personal industriousness and drive."

Interesting career opportunities of all kinds are also offered by other Bell Telephone Companies and Western Electric Company, Bell Telephone Laboratories and Sandia Corporation. Your placement officer has more information about these companies.
