

# oregon Daily EMERALD

57th Year of Publication

Section II

VOL. LVII. UNIVERSITY OF OREGON, EUGENE, FRIDAY, JUNE 1, 1956 NO. 138

## *This Issue Dedicated to Seniors...*

This section of the last Oregon Daily Emerald of the year is dedicated to the seniors. It is our hope that they will find this history of their class valuable enough to file away with the scrapbooks, the Oregonas, and other mementos of the University of Oregon.

We have attempted to tell the story of the class of 1956. On the following pages will be found articles to help the reader recall his (or her) four years at Oregon.

Our staff members have recalled the day Bill Dellinger became the NCAA mile

champion, the construction of Allen hall and the renovation of the education school, the election of Bud Hinkson as student body president, and the University's first Charter day.

And who can forget the arrival of President O. Meredith Wilson and his family?

There are many more. The restoration of the Millrace, the tappings, the athletic successes. And on the somber side, the death of two members of the class.

All this has been recalled for the senior class. We hope they will treasure it.

## *... You Will Always be Part of the University*

I should like to congratulate each of you on your achievement, and express our appreciation for the contribution you have made during your years with us.

Above all else, we are proud of the accomplishments of our students as they reflect their own capabilities, the efforts of our faculty, and the knowledge gained here. We hope that each of you look back upon a profitable experience that will help to make your future happy and prosperous.

Although most of you will be leaving the University as students, you will never cease to be a part of it. The value of your degree,

in some measure, will be enhanced as the reputation of the University becomes more widely known and respected. As alumni, you can share in our efforts to become stronger and in this pride of our accomplishment. We hope that your regard for the training you received here will be cause for meriting your support.

The members of the faculty join me in wishing you happiness and success, and hope you will come back and see us often.

O. Meredith Wilson  
President
