

McKay Discusses Aid to Education In Campus Talk

By EVELYN OLSON
Emerald Staff Writer

Doug McKay, in top off-the-cuff speaking form, told a University of Oregon audience Thursday night that there is "no hard and fast rule," when asked if he believed in Stevenson's recently expounded plan of giving scholarships to deserving U.S. youngsters.

McKay, who formerly served as Secretary of the Interior and as Governor of Oregon, was speaking at a coffee hour program sponsored by the campus Young Republicans and the coffee hour forum committee.

"Most young people today have a reasonably good opportunity to get an education," he said. He added that many large companies are giving scholarships for those qualified and in need of them.

"I'm strong for education for those who want it and those who are capable of it," he said.

Approached about federal aid to education, McKay said he was for President Eisenhower's education bill which failed in Congress earlier this year. McKay said this was for a five-year federal aid plan of building. "There is a crying need for educational facilities," he said.

"I am not in favor of federal aid to education as such," he maintained. He emphasized that he didn't want to see the federal government infiltrating and running local school systems.

Later the candidate for Wayne Morse's senatorial position said, "I don't believe you can legislate tolerance," when queried if he would have voted for the Powell Amendment to the Federal Aid bill.

McKay drew laughs when he explained his recent statement "The issues don't matter, it's the votes that count." Grinning, McKay answered "that was kind of a slip of the tongue. You know—the foot in the mouth disease. Certainly the issues are important," he declared.

Asked if he were willing to debate Senator Morse, McKay replied "Sure, I've told the newspaper I would anytime." He said

Bunion Derby Participants Ready; Invasion Scheduled For Tonight

Men's and women's living organizations will participate tonight in the annual Bunion Derby, scheduled from 7 to 11 with an extra dance period at women's living groups from 11 to 12.

Men will have seven minutes of dancing at each women's group and will be allowed three minutes to travel between houses. After

11 p.m., they may return to the women's organization of their choice for an extra hour of dancing.

Frosh men will participate in the Derby with their dormitories and not with their fraternities, according to Ray Hawk, associate director of student affairs. Funds collected from the nickle-

Gamblin, Cain Named to Senate In Long Session

Dorothy Gamblin, a sophomore, and Jim Cain, junior transfer from Willamette University, were named Thursday night by the ASUO Senate to fill its two vacancies.

They were selected after the Senate, in a nearly five-hour session, interviewed 35 candidates for the two posts.

In other action the Senate agreed to adopt a policy on student drinking at football games. A committee composed of Phil Hill, Brian Booth and Jim Lynch will present a statement at the next meeting, to be held in two weeks, for possible approval.

Two New Members

Miss Gamblin, a Chi Omega, is a member of Kwama, Pan-hellenic Council and University Singers. She has participated in debate, Canoe Fete, Junior Weekend and Greek Week.

Cain, a member of Beta Theta Pi, was sophomore class president and Joe College at Willamette University last year.

The 35 students who petitioned were estimated by ASUO Vice-President Doug Basham as more than twice as many as had ever petitioned for the Senate at one time before. Several Senators suggested the possibility of a screening committee to interview petitioners in the future.

Many Petition

Those petitioning were Jon Shaw, Jerry Ramsey, Rick Cleveland, Chuck Trachi, Carrie Heilbronner, Tom Royston, James Carroll, Jim Cain, Dick Easton, Richard Firman, Jerry Bishop, Bob Biggs, Sam Vahey, Robert Wadman, Chuck Cowen and David Cass.

Also Tom Howser, Dave Cromwell, Dorothy Gamblin, Nancy Marston, Tom Deans, Bev Landon, Nora Walsh, Gloria Begench, Willie Funke, Fred Nunn, Peggy Ragen, Russell Cowell, Sue Ryder, Mary Jane Alexander, Jack Marsey, Dorothy Griffeth, Fay Kersey, Harvey McKelvey and Mike Smith.

ASUO President Darrel Brittsan appointed Jim Lynch, chairman, and Sue Walcott and Brian Booth, to the Senate committee to meet with the Rally Board.

IFC Vote Favors Retention Of House Sign Competition

The Inter-fraternity council Thursday night went on record opposing the replacement of the Homecoming sign contest with a float parade.

At a previous meeting, IFC members had been asked by Bass Dyer, alumni secretary, and Homecoming co-chairman Ken Kirkpatrick to seek opinions from their fraternities on the proposal.

The council discussed the matter briefly, reporting a general disfavor of the plan by their houses. A motion to recommend the change received only one vote.

Rush Tour

IFC president Don McClain opened the meeting with a report on the rush tour taken by approximately 130 rushees Sept. 23.

He said that the tour was "successful as far as it went," but that it "didn't accomplish too much."

McClain added that from the opinions he had picked up most of the rushees felt that the tour was rather pointless because they had already seen most of the houses anyway.

Bill Beck and Mike Volonte were appointed by McClain to meet with Panhellenic to discuss

the formulation of a joint-ruling on trophy and plaque stealing.

A motion—which states in effect that IFC will oppose such thefts, and enforce fines to stop it—was tabled until the next meeting.

Asks Help

Jim Carter made a brief appearance on behalf of the ASUO Senate. Carter asked fraternity presidents to help boost attendance at Tuesday-at-one assemblies as much as possible.

A committee was appointed to look into the possibility of making a film of University fraternities to orientate prospective rushees.

Ray Hawk, adviser of the council, announced that president McClain had been chosen a delegate to the National Inter-fraternity council meeting in New York. He will be one of two delegates from the Western Region.

The council voted to pay half of McClain's expenses to the meeting.

Bob Fischer was introduced to the group as the new president from Phi Kappa Sigma. Mike Smith will be the new representative of Phi Gamma Delta.

IFC will meet again Oct. 18.

Frosh Rally Trials Set for Monday

Tryouts for members of the freshman rally squad will be held Monday from 6 to 10 p.m. in Gerlinger Annex, Lorie Whitten, assistant rally board chairman, announced Thursday.

All women who have petitioned will have only those hours in which to audition, she said. Fifteen finalists will be chosen and interviewed by the board at a later date.

Music applied for the routines will be "Mighty Oregon."

Student Politicians Urged to Participate In Local Campaign

Keith Skelton, campaign manager for Charles O. Porter who seeks election as U.S. Representative, 4th district, invites all Oregon students to take part in the race for the Congressional seat.

Porter and Skelton will meet with those students who are interested at 8 p.m. on Friday at the Democratic Headquarters, 33 East Eleventh Ave., Eugene. Refreshments will be served.

'Fun, Wasn't It' Selected '56 Homecoming Theme

"Fun, wasn't it!" It was and it should be, according to Homecoming Co-chairmen Bev Landon and Ken Kirkpatrick. Homecoming Weekend is Nov. 9 and 10.

This year's Homecoming theme was picked by the committee chairmen Wednesday night so that each subtheme can represent a separate period of fun at the University since its founding in 1872.

Several changes have been made in Homecoming this year. The traditional noise parade has been changed to a float parade on Saturday morning which will probably travel down Willamette St. A Dukeroo Brunch will be held about 10:30 a.m. Saturday instead of the Alumni luncheon.

Judging for the sign contest will begin about 5 p.m. Friday and winners will be announced at the bonfire that night. Plans also call for the queen and her court to be announced at the bonfire.

The football game between Oregon and Washington State College will begin at 1:30 p.m. Saturday followed by open houses for alums at living organizations. The dance will start at 9 p.m.

"We hope that alums will get

here on Friday, so they can attend all the Homecoming events," Kirkpatrick said. "Homecoming is planned especially for the alums."
