Holiday Spirit Welcomes New Shoes and Stockings

By MARLENE PERKINS

With the festive spirit just around the corner, step into a Cinderella fantasy. As "Cindy" lightly danced at the King's ball, so shall you!

The "Fairy-tale cinylite" sling or the vinglite, metallic fabric heel both have that glass slipper appearance. The latter footwear is created in a stripe design with a sparkling clip on one side. Many dazzling styles come in the originals, priced around \$16.95.

For a pump that fits any occasion, try the shoe with the thin little heel, square front, and tapered toe. These heels are comfortable to walk in and price range is low.

AWS Event Scheduled

Christmas boxes voluntarily prepared by campus living organizations for needy families in the Eugene area will be on display at the AWS Christmas Tea to be held Dec. 7 at the Chi Omega house from 3 to 5 p.m. Later these boxes will be distributed by the local Red Cross.

All students, men and women, have been invited to attend the tea, which, according to Anne Heltzel and Sandra Jochimsen, co-chairmen, will not be a silver tea. Dress for the affair will be campus clothes. Presidents of all the women's organizations in Eugene have been invited as the special guests of AWS.

The tea idea began about seven years ago when AWS, upon discovering the plight of a needy Cottage Grove family, held a tea in Gerlinger hall, during which Oregon sororities donated Christmas gifts for the family.

Since the first tea, AWS Christmas teas have been held at different sorority houses, and both sororities and fraternities have donated gift boxes of toys and food.

The tea project begun on this campus has now been taken up by other AWS groups as a result of a tea report given at a national AWS convention.

riding on a white horse, be sure the slippers fit your feet!

They are convenient, comfortable, and just what the college "fems" ordered—the new stretch on "Knee-Hi" and "Over the Knee" nylon stockings.

The used-to-be scheme of wearing nylons to class everyday was a far away dream, for gym class stood in the way. With so few minutes in which to change in and out of your clothes, P.E. became a dark obstacle in the path of the defenseless nylon stockings.

'Knee-Hi' Stockings Practical
This power has been captured by a modern type of nylon—the stretch on "Knee-Hi" and "Over the Knee" length, with elastic at the top to hold up the sock. These little life savers do not bag or sag as you move. A perfect fit, they stretch tightly on any foot.

As immaculate dressers, the young women of today can now complete their new fall school outfits—bringing sheer, smooth perfection to their legs and making for healthier feet—while minding their P's and Q's when taking gym (or Jim)!

Don McLain to Attend Fraternity Discussion

Don McLain, president of the Interfraternity Council, will attend the national meeting of all fraternity representatives to be held at the Waldorf-Astoria hotel in New York, Nov. 30 and Dec. 1.

While there, he will participate in a panel discussion.

Kappa Sigma Breakfast Off

Bruce Hankins, Kappa Sigma pledge president, has announced that the chapter will not be able to hold its annual pledge breakfast this year, due to the limited facilities at their present location and the expense of holding it elsewhere.

The fourteen-year-old tradition will be resumed next year, Hankins said, following completion of the fraternity's new house.

Last year the affair drew 202 sorority pledges from the sixteen campus sororities.
