

**DELTA DELTA DELTA PLEDGES** give it the "old college try" as they let go at the AWS Auction Friday. Men's living organizations bought the five sorority pledge classes, with the proceeds to go for scholarships.

**Music Experts Come to University for Sixth Conference**

Six experts in specialized areas of music are coming to the University of Oregon for the sixth annual conference on music education, Jan. 25-26.

The program's theme will be "How Can School Music Be Taught Creatively?" Music educators from all over the state are expected to attend.

Ethel Crowninshield, Fay Templeton Frisch, Josephine Mitchell, Sherwood Robson, Don Jacoby, and Raymond Wheeler are among the authorities on music who will be present.

**Library Displays Obata Wood Blocks**

Seventeen Japanese wood block prints, by Chiura Obata, contemporary Japanese artist and professor emeritus at the University of California, are on display in the circulation lobby of the University of Oregon Library.

The color reproduction of paintings are being exhibited in connection with the Festival of Arts theme, "East Meets West."

**Strange Case of THE FOOLHARDY SKIER**

**T**HERE was once a young fellow who decided skiing was as easy as driving a car on snow-covered roads. So one day he stepped into his new skis atop a slope, and pushed off. His friends were aghast! Such confidence! He knew little or nothing about the rules of skiing—how to turn—how to stop—how to use his poles and edges. What happened? That's right. He ran smack into a large tree. Everybody on the slope said he should learn the rules of skiing before taking such chances. But nobody mentioned that neither he—nor most of them—knew or practiced the rules of winter driving. Doesn't that seem awfully foolish—and childish—when you think of the terrible death toll from winter traffic accidents? Just in case, here are the six rules\* of winter driving.

**\*THE SIX RULES OF WINTER DRIVING**

- 1. Accept your responsibility.
- 2. Get the "feel" of the road.
- 3. Keep the windshield clear.
- 4. Use tire chains and good tires.
- 5. Pump your brakes.
- 6. Follow at a safe distance.
