do not go to the Homecoming dance and would prefer this type of activity.

Again, we are thinking of the alums. The purpose of the dinner-dance is not to discourage the alums from coming to the Homecoming dance. It is also not a money-making project.

This weekend is not planned as a bribe to get alumni backing. It is a weekend planned for the alumni by the students as a show of their gratitude to the alumni—the students who made the University what it is today.

the bonfire. Afterwards a street dance is planned at 14th and Hilliard from 8:00 to about 9:30.

Frosh men are building the bonfire starting at 9:30 Friday morning. They will also be responsible for guarding the bonfire. This year a double check system of guarding is being devised. Each house is responsible for eight people out for one hour Friday guarding against OSC invaders.

Pairings for guarding and attending the bonfire:

Rally Enthusiasts Endanger Science

A power outage in the science building, such as the one caused by students' pulling main electric switches during Monday's Rose Bowl rally, could seriously damage very valuable equipment or ruin many weeks of experimental work, according to M. M. Van Gulick, assistant professor of Chemistry.

Van Gulick said that he was sure there was no malice in switching off the power but said he didn't think the students starting the rally realized the damage loss of electricity could cause.

"Fortunately," Van Gulick said, "someone was around and was able to turn on the power again before any real damage was done."

Campus Briefs

• There will be a YM-YW discussion group for those interested in social issues Friday at 3 p.m. at the YWCA office. The topic will be "President Eisenhower as a personality, and the success of his programs."

• Sigma Delta Chi, professional journalism fraternity, will meet Thursday at 4 p.m. in the Allen Room.

• The Homecoming hospitality committee will meet today at noon in the Student Union. The room number will be posted.

• Persons are needed to help paint and make decorations for the Homecoming dance. The workshop, on the third floor of the SU, will be open from 7:30-10:30 every day until the dance. Call Sheila Borsian, ext. 484 or Ron Perdew, DI 5-5541 for more information.

• Bach's "Mass in H Minor" will be played in a recorded concert at the Howard listening room in the Student Union from 7 to 10 p.m. Thursday. The concert is sponsored by the recorded classics committee.

• The 1957-58 edition of the Pigger's Guide, official University telephone directory, will go on sale Friday at the SU and the Co-op, according to Chuck Bordenkircher, Pigger's Guide Business Manager.

This year the book contains classified buying guides. Only a limited number of Pigger's Guides will be available.

• A faculty-at-home will be held in the home of David Hatch, professor of architecture this evening.

Those persons needing transportation are asked to meet at Gerlinger Hall at 7:45 p.m.

Activity Points

Any girls interested in filling pledge cards for the United Appeal contact the YWCA office, ext. 426, sometime this week.

Women are needed to staff the YWCA office in Gerlinger Hall. Those interested may sign up in the office. Work will include answering the telephone and other general office work.

Students interested in participating in the northwest conference of International Relations Club, Dec. 5 to 7, are invited to an organizational meeting at 6:30 p.m. Thursday in the Student Union. Further information can be obtained from George Brandt, IRC president, at DI 4-5653.

Tickets Available For Homecoming

Tickets for the Homecoming dance and luncheon are available from 9-5 in the Co-op and the SU today and Friday.

The theme of the annual Homecoming dance is "Rendezvous with Rosse" and will be held this Saturday night from 9-1; the luncheon is Saturday from 11:30 to 12:30.

Tale of Two Cities!

Among Western Hemisphere cities with the largest per capita enjoyment of Coca-Cola are, interestingly enough, sunny New Orleans and chilly Montreal. When we say, "Thirst Knows No Season," we've said a cheerful mouthful.

So don't take any lame excuses about its not being hot enough for Coca-Cola. Forget the temperature and drink up!
