makes hair behave

...beautifully

At last, a means of hair control never before possible! Exciting new Sculpture Wave lets you set sweeping waves or feathery curls exactly as you wish—then *holds them in place* after brushing. Makes wiry, unruly hair obey... adds body and workability to limp, fine hair... all without a trace of oiliness. Don't wait another day to discover the thrilling new freedom of hair styling that is yours now with Sculpture Wave!

GUARANTEED TO PLEASE

Proved through two years of award-winning, professional hairdressing competition.
