

Air Force gives commendations

Commendation awards to the top two per cent of ROTC Air Science I and II classes were presented at a drill ceremony last week.

Chosen because of outstanding performance in both the classroom and drill field, five of the eleven cadets were winners for the second time, and received Bronze Stars for their ribbons.

Air Science I winners were:

Wendell T. Beyer, David R. Leeper, Michael C. Mikita (Bronze Star), Larry E. Slater, John C. Taylor (Bronze Star), Richard M. Tetley, and Robert B. Tucker (Bronze Star).

The Air Science II winners were: Leonard M. Ball, Byran T. Downes (Bronze Star), John M. Elle, and David A. Winn (Bronze Star).

'58-'59 CO-OP BOARD OF DIRECTORS

These are the five U. of O. students who along with two faculty members have the responsibility of directing the Co-op Store for you, the Co-op member—its only owner and stockholder. The board which is selected each year by Co-op members determines all major policies in the store's operation. Since the present board's term of office expires in a few weeks, three new student board members (one sophomore, two juniors) will be chosen at the ASUO elections next month. Nominations for these positions will be in order at the Co-op's annual open meeting on Thursday, April 16th at 4 p.m. You are urged to nominate a qualified candidate of your choice. Be sure to vote too!
