a salute to the homecoming court and our u of o fur coed, miss kay bruun

Congratulations Kay Bruun! Chosen by the Fur Information and Fashion Council as Miss Fur Coed for the University of Oregon! Miss Bruun exemplifies the spirit of these wonderful furs from the Young Designers Fur Collection showing Monday in our Designer's Corner, second floor. An eye-stopping approach to some exciting, out-of-the-way furs by the deft designing hands of six of America's foremost young designers . . . Jeanne Campbell, Jeanne Carr, Eloise Curtis, John Weitz, Luis Estevez and Pembroke Squires. See new treatments of everything from mink to broadtail* modelled in our Timber Room during luncheon this Monday. You'll love them . . . and you'll love the moderate prices!

*All fur products labelled with country of origin of imported furs.
