Wickham to leave on tour of world

University Dean of Women, Mrs. Golda Wickham, and her husband will be on a year's tour of the world when school starts next fall.

Mrs. R. E. Walker will be the acting dean in Mrs. Wickham's absence. Mrs. Walker, the former Eileen Larimer, was Mrs. Wickham's assistant in 1958-59 here on campus.

Mr. and Mrs. Wickham will board the SS Oregon the first of August and sail to Yokohama, Japan, for the first leg of their journey.

Panhell retreat set for Saturday

The Timber Topper restaurant in Springfield is the "rendezvous" this Saturday for the Panhellenic all-day retreat. Those attending will be the Panhellenic Council and officers, delegates from each house, the Dean of Women, the Executive Secretary of Panhellenic, and the president of City Panhellenic.

The discussion topics and the discussion leaders are as follows: "Upperclass Housing During Fall Rush," Bunny Brissenden; "Problems of Open Rush," Rae Hinchey; "The One and One Rule," Judy Hendershot; "Clarification of Formal Rush Rules," Betty Lush; and "Penalties for Rushing Infractions," Mary Leonard.

All girls attending the retreat will meet at the Gerlinger turnaround at 6:30 a.m. Saturday. There will be a 7 o'clock breakfast at the Timber Topper followed by the group discussions at 8. General discussions will begin at 10 and continue until 4 with a break for lunch at noon.

If any information is wanted or if anyone can bring a car, they are to call Judy Baxter at 773.

They plan to return to Eugene August 1, 1961. At that time Mrs. Wickham will resume her duties as Dean of Women. Mr. Wickham will return to South Eugene high school, where he is a social studies teacher.

CONCERNING her year's leave of absence from the University, Mrs. Wickham said, "My husband and I just decided to take a year off and vacation. This seemed to be the right time to do it." She has served as Dean of Women at Oregon for 16 years.

Dean Wickham received her Bachelor of Arts degree from the University in 1931 and graduated as a Phi Beta Kappa and a member of the Senior Six. Although she worked her way through school, the Dean was also active in campus activities.

After teaching in rural schools and in Portland high schools, she returned to Oregon to fill the post of Dean of Women.

THE WICKHAMS will spend a month in Japan. There Dr. Victor P. Morris, former Dean of the School of Business here at the University, and his wife will join them. Dr. Morris left Eugene

Warns of Vaccine use

Novick lists dangers

BOULDER, Colo. (AP)—University Professor Aaron Novick said Wednesday "It is not inconceivable that we will lose an entire generation, perhaps even humanity," because of the widespread use of Salk vaccine.

NOVICK said the program which saw mass inoculations with the anti-polio vaccine "is frankly a mess."

Novick told the University of Colorado's World Affairs Conference that the virus used in the vaccine is grown in monkey kidney tissues which bears marked physical resemblance to that of human kidneys.

The system of a person inoculated with the vaccine, therefore, develops antibodies against the virus. This is the purpose of the vaccine, Novick said.

BUT HE CLAIMED that the human system also makes antibodies against the monkey kidney. Because human and monkey kidneys are so similar, Novick said, "it is possible that we will

be provoked into making antibodies against our own kidneys.

"The Salk vaccine was so widely given that such a reaction would affect virtually everyone.

"It is not inconceivable that we will lose an entire generation, perhaps even humanity.

"WE RUSHED into the program without any real reason to believe it was effective, and without taking precautions. Anyone who suggested delay was considered a monster."

In Denver, the Rocky Mountain News said it contacted Dr. Jonas Salk, developer of the vaccine, by telephone in Pittsburgh.

The News quoted Salk as saying "It's not of any moment. This theory came up again and again many years ago. It has since been forgotten because it was thoroughly investigated, and there was no evidence that such a phenomenon was operative."

SALK WAS QUOTED as saying he knows and admires Novick.

"He is too sensible a fellow and too fine a scientist for this," the News quoted the research search scientist. "It must be that he exaggerated for the sake of emphasis.

"Why, I'm sure that he's had his own children vaccinated."

Novick said that this is true. Novick is director of the Institute of Molecular Biology at the University of Oregon. He also serves on the editorial board of the Bulletin of The Atomic Scientists.

Ugly man contest petitions due soon

The annual Ugly Man contest sponsored by the YWCA is now under way. Petitions for the candidates from the organizations are due April 5 in the YWCA office in the SU.

Voting will begin April 11 and continue until April 16. Voting bottles will be placed in the SU, the Co-op, and the Side. Eliminations will be made daily on the basis of total amount collected in the bottle of each contestant.

The Ugly Man will be introduced at the Ugly Man dance, Saturday night, April 16. He will be presented with the traditional "Herman the Moose" prize which is now in the possession of the Fijis. Contributions will go to the World University Service fund to be used for university aid throughout the world.

Every living organization is urged to submit a name of one of their ugly members or an ugly acquaintance.

Hairston to lead high school voices

A Negro Spiritual Festival will be conducted at McArthur Court Friday night at 8 by Jester Hairston, a Los Angeles composer, arranger and director.

HAIRSTON WILL direct the voices of nearly 1,000 Oregon high school and junior high school voices, according to Byron Miller of the Eugene public schools.

The concert is open to University students on their student body cards.

High school choirs from North Bend, Douglas in Winston, Corvallis, North Salem and Willamette will take part in the program, as well as all Eugene public secondary school choirs (junior high and high school choruses).

THE FIRST HALF of the festival will be devoted to the singing of Negro spirituals by individual choirs represented.

THE SECOND half of the program will be singing by a 1,000-voice choir formed by consolidating the singing groups present. Hairston is scheduled to sing Negro spiritual solos with the background voices of the giant chorus.

AWS Agenda

The AWS legislature will meet today at 4 in the Student Union for the first meeting of the term, according to Bette Lush, AWS president.

- Invocation
- Roll call
- Minutes
- Treasurer's report
- Committee reports
- Scholarships
- Old business
- Amendment
- Scholarship
- New business
- Appointive offices
- Suggestions for coming year
- Announcements
- Honors assembly
- April 22—Junior Prom
- AWS Convention

MRS. GOLDA WICKHAM
Dean to tour world

World News In Brief

Leukemia cause found

LOUISVILLE, Kentucky (UPI) Scientist Steven Schwartz says he has proof that Lukemia, a uniformly fatal disease sometimes called blood cancer, is caused by a virus.

Schwartz's work is said to hold out possibilities for an anti-serum to help those who have the disease and a vaccine which would protect against the disease.

Danger continues

CHICAGO (UPI)—Flood waters have driven an estimated 4000 persons from homes in Nebraska, Iowa, Kansas, South Dakota, Missouri and Illinois.

Helicopters are being used in Nebraska—the hardest hit state—to drop food and medicine to isolated villages and for rescue work. Flood waters—the worst in 40 years—also hit Milwaukee.

Negroes hosed

MARSHALL, Texas (UPI)—Several hundred Negroes crowded a courtroom in Marshall, Texas, Wednesday, as 50 to 60 Negro lunch counted demonstrators were being charged with unlawful assembly.

The Negroes shouted down a district attorney who pleaded with them not to cause trouble. Fire hoses were turned on

about 150 Negroes outside the courtroom.

Chessman loses again

SAN RAFAEL, Calif. (UPI)—Convict-author Caryl Chessman has lost another bid to stave off his execution.

A court at San Rafael, California, rejected petitions for a stay of execution and a writ of habeas corpus.

Chessman is scheduled to die on the second of May.

Emergency declared

CAPETOWN, South Africa (UPI)—Government officials have clamped a state of emergency.

Junior Week queen nominations due

Nominations for Junior Week queen must be made by Sunday. These nominations must be turned in to Linda Wormald, Pi Beta Phi; Chuck Cameron, Sigma Chi; or Merv Thompson, Beta Theta Pi.

The nominees must be junior girls, selected on the basis of poise, personality, appearance, grades, and activities.

All living organizations are requested to make a selection.
