

# ATO, Sig Ep, Adams Gain Intramural Wins

By JOE BERGER  
Emerald Sports Writer

The action was fast and rough but there wasn't much suspense as five A teams took comparatively easy wins in Tuesday's round of intramural hoop competition.

Sheldon Hall, Adams, Hale Kane, Alpha Tau Omega, and Sigma Phi Epsilon all put forth victorious efforts, while Sherry Ross was handed a forfeit nod over Alder, who failed to put in an appearance for the evening's sixth scheduled contest.

**SHELDON** Hall's A squad duplicated the feat of its B representatives by completing its league season undefeated on the strength of a 27-17 conquest of McClure Hall. The winners put on a fine defensive display in the first half, holding their opponents to only four points on the way to an 11-4 halftime bulge.

Jim "Scooter" Zeek of Sheldon led all scorers in the game with 11 points, followed closely by McClure's Ken Berg with ten.

Hale Kane found lots of room to put its powerful offense to work, dropping Alpha Hall 41-25.

**WAYNE STALICK** led a well-balanced Hale Kane quintet with 11 points, but scoring honors for the encounter went to Alpha's Ken Vadnais who garnered 12.

In a very colorful battle, Alpha Tau Omega roared past a game Phi Delta Theta team, 43-27. The Phi Delt's jumped off to a 7-0 lead in the opening moments of play, but ATO settled down and, with their defense allowing only four more points the remainder of the half, they built up a 16-11 margin by halftime.

The big offensive boost for the ATO's came on the 16 point performance of substitute center Ron Anderson. Wally Wolf and Gene Costi had eight apiece for the Phi Delt's.

**WAYNE KEE** tallied 12 times in aiding Adams Hall to an easy 31-17 decision over Morton Hall. Adams had a 14-6 edge at the halftime stop.

Ron Jones and Rudy Cromlin contributed six points each to Morton's losing cause.

In the final battle of the night, the cagers of Sigma Phi Epsilon built up a 21-15 intermission cushion and coasted to a comfortable 36-22 victory over Sigma Chi.

**JOHN BURNS**, working at a forward position for Sig Ep, scored 17 times to lead everybody in that department. Jim Swygart piled up 11 counters for the losers.

# Joe Perry Sent To Colts

The National Football League Baltimore Colts are gambling on a 34-year-old veteran to regain some of their former gridiron greatness.

The Colts traded an undisclosed draft choice to the San Francisco Forty-Niners today for veteran fullback Joe Perry.

In 13 years with the Forty-Niners, Perry gained 7,246 yards in 1,451 carries for an average gain of about five yards. During that period, he scored 77 touchdowns.

Last season, Perry carried the ball only 36 times. His overall gain was 95 yards and his average was 2.6.

# Duke Star Lost Due to Fighting

Art Heyman, star of Duke's third-ranked basketball team, was declared ineligible for regular season conference play because of a fight in the Duke-North Carolina game of Feb. 4.

The ruling, by Atlantic Coast Conference Commissioner James Weaver, also applied to two North Carolina players—Larry Brown and Don Walch. However, Weaver's decision has been temporarily suspended pending a meeting of the conference executive committee to hear full particulars. The fight which brought Weaver's ruling resulted in police being called to restore order.

Heyman, a sophomore forward, has been the leading scorer on the Duke team which has compiled a 17-2 record. His loss will seriously hamper Duke's chances for the Atlantic Coast Conference championship.

# Strickland Nears Free Throw Lead

Denny Strickland, Oregon's versatile guard and team captain, is very near, if not the number one free throw shooter in the nation. The percentages of Eastern players cannot be compared presently because they played Monday night.

Strickland has a percentage of .891, with 57 one-point markers on 64 attempts. Larry Sigried of Ohio State's number one basketball team is one of Strickland's toughest competitors for the number one spot.

At the last comparison, the Buckeye guard dropped a few percentage points below Strickland though he had shot many more free throws.

# Player Leads Money Winners

Golf's leading money winner of last year—Arnold Palmer—is beginning to ring the bell in this year's cash register. Palmer's \$4300 first prize in the Phoenix Open gives him total 1961 winnings of \$12,800. That puts him within \$1400 of 1961's top money winner—Gary Player of South Africa.

Ken Venturi and Bob Rosburg are tied for third with \$9400 each.

# Portland Gets 49er Games

Oregon Sports Attractions President Harry Glickman announced today that two professional football exhibition games will be played in Portland in August.

The San Francisco 49ers will battle the New York Giants August 12 and the 49ers will return August 26 to meet the new Minnesota Vikings.

The August 26 game will be of interest to Oregon football fans as Viking Coach Norm Van Brocklin and Viking quarterback George Shaw, are ex-University of Oregon quarterbacks.

Oregon State end Aaron Thomas is expected to see action

# Buckeyes Hold Top Spot In Poll

(From UPI Reports)

Ohio State and St. Bonaventure continue to dominate the UPI basketball poll. The Buckeyes picked up 34 of 35 first place votes and the Bonnies got the other. St. Bonaventure's only loss of the season was to Ohio State, 84-82, at Madison Square Garden in December.

Southern California, which has compiled a 16-3 record, is now in fourth place—the highest position any West Coast team has attained this season.

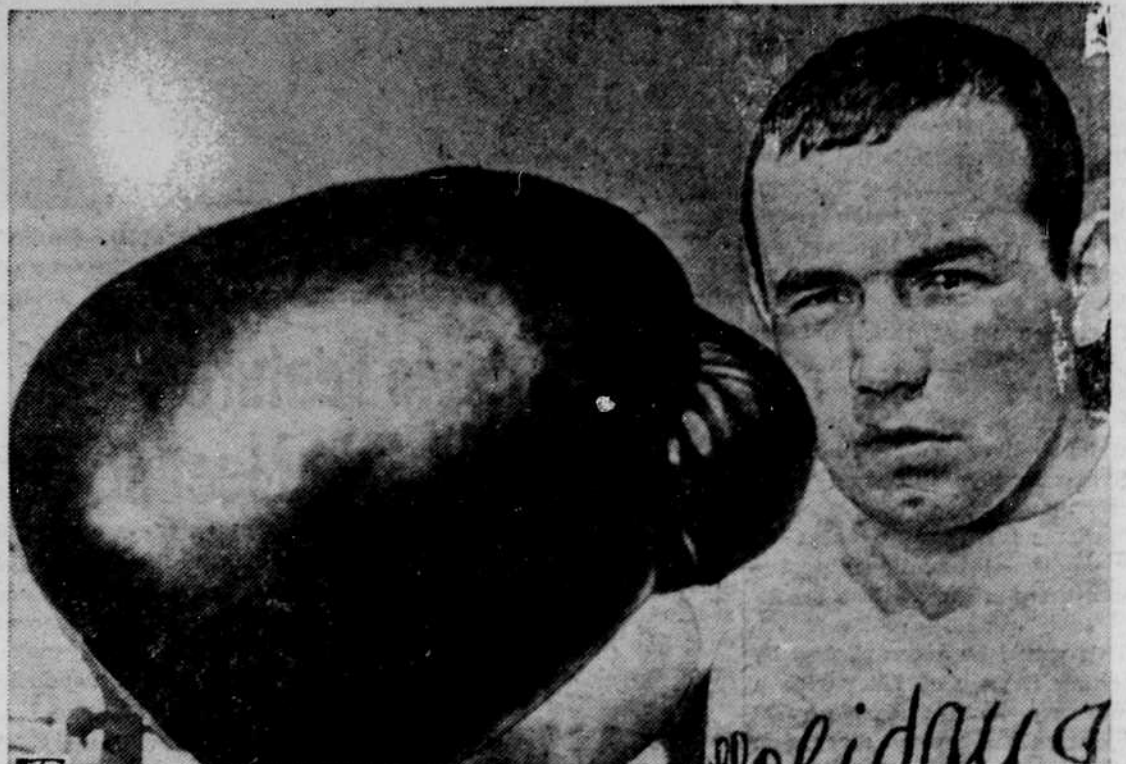

Duke is in third place, despite its second defeat of the season

earlier in the week. The Blue Devils have notched 17 wins.

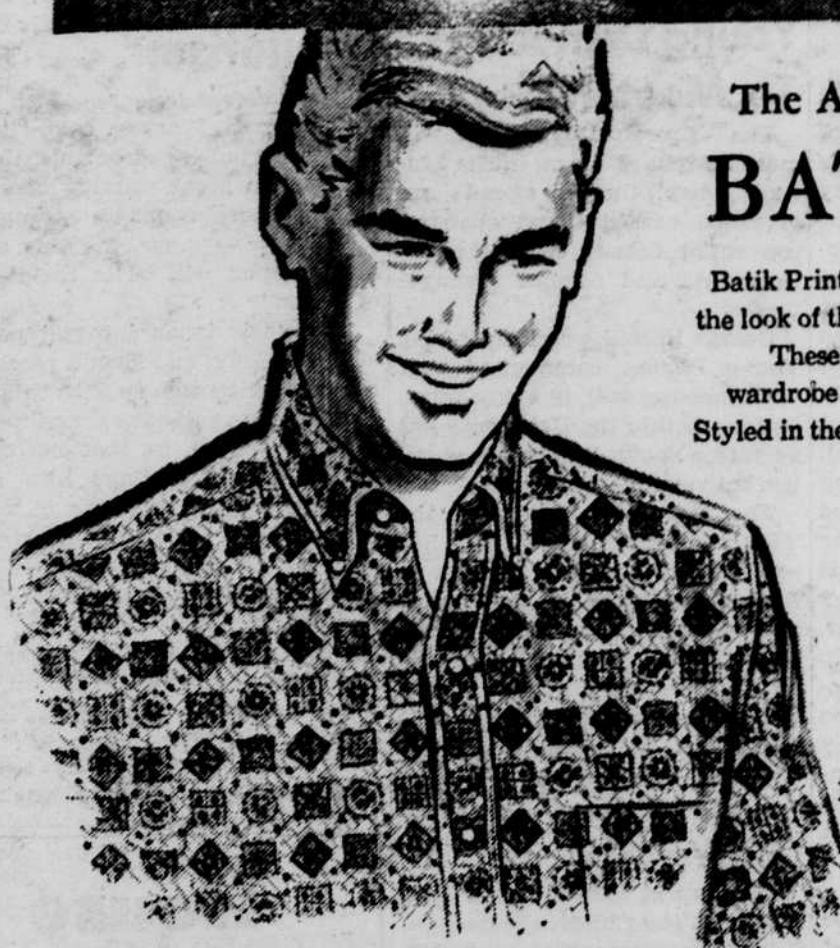

Bradley, long a highly-rated team in the poll, fell to fifth position, one spot ahead of the fast-rising Cincinnati Bearcats who hold a victory over the Braves from Peoria.

North Carolina holds down seventh place and Kansas State is eighth. However, the Wildcats may move down before long. They lost to Colorado, 81-80, after this week's poll was taken.

St. John's (13-4) and Louisville (17-4) round out the top ten in this week's UPI basketball ratings.
