## Sports car spice never came in so many varieties... Chevrolet!

Maybe you're a fellow with more or less normal driving habits who's looking for a change of pace. Or maybe you're a red-hot sports car buff. Either way, you'll find the fastest relief for that tantalizing itch in your driving foot at your Chevrolet dealer's One-Stop Shopping Center. He's got cars that run the sporting gamut like no others—nimble Corvair Monzas (2- or 4-door), charged-up Impala Super Sports (in five different body styles) and the kingpin of production sports cars, the Corvette. You can take your choice without chasing all over town. They're all stablemates under the same roof!

### CHEVY CORVAIR MONZA CLUB COUPE

Nestle behind the wheel in one of those bucket front seats and see what Corvair's rear-engine design has done for driving. Steering that responds to the subtlest hint. Braking that brings you to precise even-keel stops. Traction that clings like a cocklebur.

### CORVETTE

It's the goingest machine in America. Pure-bred sports car performance—the likes of which only the most elite (and expensive) foreign-built jobs could claim before Corvette began stealing their thunder in open competition.
