

## Classes cancelled for Charter Day activities

Today's Charter Day Convocation at 10 a.m. will result in the cancellation of all classes from that time until 12 noon, with the library also closed during this period.

The Student Union also will not operate its restaurant facilities during the Convocation.

Franklin Murphy, chancellor of the University of California at Los Angeles, will deliver the main convocation address in MacArthur Court.

There will be a procession of faculty members in caps and gowns at the convocation. Faculty members have been asked to wear their caps and gowns to their morning classes before 10.

The Distinguished Service Award will be presented to outstanding Oregon citizens at the Convocation.

The concluding event of Charter Day celebrations will be a concert by the University of Washington Faculty String Quartet at 8 p.m. Thursday in the SU ballroom.

## To Begin in December

# State Board gives okay on SU Construction

The State Board of Higher Education gave the go-ahead on construction of a \$685,000 addition to the Student Union at a meeting this week in Klamath Falls.

**THE TENTATIVE** opening date for bids has been scheduled for Nov. 28, according to A. L. Ellingson, Student Union director. Construction will begin in mid-December.

Architect is H. Abbott Lawrence, of Portland, associated with Church, Newberry, Roehr, and Schuette.

**CONSTRUCTION** is expected to be completed in a year, but some portions of the addition will be usable by fall of 1962, Ellingson said.

The addition to the southeast corner of the present building will include 21,670 square feet of

new construction and 5,600 square feet of alterations.

**PRESENT DINING** space and meeting rooms available for cafeteria luncheon meetings will be more than doubled. Seating capacity for the soda bar-grill operation will be increased by about one half.

The bowling alley area in the basement will be doubled, and a barbershop location of more convenience and economy provided. Sales space for the SU main desk will be expanded.

Crowded conditions in the Erb Memorial Union have resulted from increasing student enrollments in the past few years.

The new addition will alleviate some crowding, but "even with the increase in space, we still will be about two years behind in space and facilities," Ellingson estimated.

**THE \$685,000** addition is a self-liquidating project not involving tax funds. Preliminary planning for it was started in 1957.

Long-range plans are being made for a second addition, but nothing is on the drawing board yet, the SU director said.

**AMONG FACILITIES** to be included on the first floor of the new addition are a snack bar dining area to serve 140-190 persons; and a combination dining room for 180, banquet room for about 250, which can be converted into an assembly room seating 400 or more.

The first floor also will have seven meeting rooms each accommodating about 20 persons and two larger meeting rooms for around 35 each.

**IN THE BASEMENT,** plans call for eight bowling lanes, two meeting rooms, a combo practice room, a sports repair and rental shop, and the barbershop area.

## 'King of the World' crowned here today

By PHIL COGSWELL  
Asst. News Editor, and  
TED MAHAR  
Edit Page Editor

The "King of the World" plans to crown himself "King of the University of Oregon . . . for Good" at 4 p.m. today. He has not yet specified where the coronation will occur.

**HOMER A. TOMLINSON,** 68-year-old head of a religious organization called the "Churches of God," will arrive via Greyhound bus, and will carry his own portable throne, one gold and one silver crown, a \$600 royal robe, and an umbrella.

An unsuccessful U.S. Presidential candidate, Tomlinson is a professional self-crowner who has dubbed himself king of 101 countries, all 50 states, 187 city halls, and 42 universities.

**BROTHER HOMER,** as he is known to his constituents, will announce the place of his coronation when he reaches the main doors of the Student Union, around 3:30 p.m. He also informed the Emerald that he will hold a press conference in the

Emerald office at 2 p.m. Emerald Editor Dan Pfaff said no plans have been made for a press conference.

Tomlinson will ask for two student volunteers, one to be a "prince," and the other to be a "princess," to help organize what he calls a "Theocratic Band." The band's main task will be to conduct a "School for Kings" for students to be "raised to the purple." These students will be "fully prepared to become rulers of nations, to administer peace," according to his newspaper The Church of God.

**HE WAS TO** have visited Gonzaga University Wednesday.

Tomlinson claims to have polled 3,000,000 votes in the 1960 presidential elections. He also says he has 180 million followers around the world, including 12,000,000 in Russia.

**WHEN TOMLINSON** praised Russian religious freedom in Red Square at his coronation, he also criticized America for lacking it. His interpreters fled. Introduced to the Russians as an American

L. A. "BUD" MANGELS, assistant dean of men, has accepted the post of Kent State University Student Union Director. No successor has been named. (Photo by Paul Cormier)

## Kent SU post lures Mangels East

No successor has yet been named to replace L.A. "Bud" Mangels, assistant dean of men, who resigned from the University staff to accept a position as a director of the student union of Kent State University, Kent, Ohio.

Dean of Students, Donald M. DuShane told the Emerald Wednesday "there will be a news release on the situation sometime next week."

Mangels said Tuesday, "Without reservation, I have enjoyed the time I have spent here at the University as well as the associations I had with those people with whom I worked."

He said, "This is a rather fantastic opportunity. It is a situ-

ation similar to the one I stepped into here at the University. A new job is being created.

"I've always been interested in Student Union work . . . Kent is a growing institution, a bit larger than the University of Oregon," he added.

He also said that much of his family is located in the Midwest.

Finally he said, "The operation there is completely different from that of the Student Union here. The facilities are all new. There are six activity centers instead of a single building. I like this idea, and this helped entice me to take the job."

Mangels has been at the University for over two years.

## SU game area Board problem

Use of the games area of the Student Union may be restricted to certain groups on nights designated by the Games Committee as a result of action taken by the SU Board Tuesday.

**UNLESS REGULATIONS** of another committee or board are involved, the Games Committee can set aside the area for use by a special group, such as married students, or can limit the use of the area to college students.

When the motion was presented at the last meeting, Oct. 11, it was suggested that frequent use of the area by high school students might account for the limited participation by University students.

**BILL DAVIS** offered a substitute motion for the one presented by Dan Williams Oct. 11, which required consideration of the SU Board in restricting use of the game area. The motion passed unanimously.

A change in SU Board policy decided the question summarized by Dean Donald DuShane, "Do we want to co-sponsor events if the

sole purpose is to raise money for the organization's treasury?"

**A DETAILED** plan presented by Bob Forsyth, giving restrictions if the group wants the SU Board to share in the financial responsibility of the event, will be filed for reference.

As it now stands, a campus Organization may request the SU Board to co-sponsor an event. If approved, the group may go ahead independently with its program, accepting profits and assuming responsibility for losses.

**WITH APPROVAL** of the Board, other arrangements can be made so that the Board will absorb an agreed percentage of the losses or receive a percentage of the net income from the function.

Prices for the Cal Tjadar Quintet and the George Shearing and Four Freshmen programs were announced by Mary Alden. "Tjazz by Tjadar," Nov. 3, 7:30 p.m. in MacArthur Court, will be \$1.25, students; \$1.75, adults; \$2.50, reserved.

Prices for the Four Freshmen program, to be held in the

SU ballroom Feb. 24, are \$1, student; \$1.50, adults; \$2.50 reserved.

Air Force Band performance, she reported, cost \$2000 plus \$400 for promotion and physical expenses. About \$1900 was received, and the \$500 loss has been underwritten by the Budget Board. Jay Jackson, SU Board chairman, said the loss was expected and may be cancelled out by profits from other events.

International Friendship Union chairman is Bill Freck, junior in business administration, Jackson announced.

Dave Hill reported that there will be a Friday at Four, Nov. 10 in the SU Fishbowl. He will talk to freshmen interested in working on SU committees Nov. 13.

Si Ellingson, SU director, explained the standing policy that, because of added custodial cost, no food other than sack lunches may be brought into the building. He said that groups wishing to bring their own refreshments can request the use of Gerlinger Hall.
