Webfoots Travel for '63 Opener with U of P Pilots

Coach Steve Belko's hustling Webfoots invade Memorial Coliseum tonight at 8 p.m. seeking their fourth victory of the season against the University of Portland Pilots.

The Ducks go into the meeting with a 3-5 won-loss mark, having defeated Brigham Young, Washington and Washington State.

The Pilots have posted a 4-8 record thus far this season, including victories over Carroll College and Long Beach State.

The Pilots present a tall starting quintet, led by 6'8" junior center Steve Anstett. Anstett leads Portland in scoring with a 16-point average.

Opposing Anstett in the post will be Oregon's two-year letterman Glenn Moore, an agile 6'7" senior.

Supporting Anstett are 6'4" junior Jim Dortch and 6'3" senior George Koch at the guards,

with 6'4" senior Joe Minneham and 6'5" senior Roland Carpenter at the forward spots.

Steve Jones has been moved back to the guard spot he played last season to aid the back court scoring.

The Pilots will be hoping to improve on their record for the season. Coach Al Negratti is in his eighth year at the helm of the Portland school and has had only one losing season besides last year, when injuries hurt his squad and it finished the season at 8-18.

The fine coach has a respectable 110-81 career record and cer-

tainly would like nothing more than to get back into his winning ways against the Webfoots.

Anstett was the second leading scorer on last year's Pilot quintet with 331 points for a 12.7 average. He was also the team's leading rebounder with 284.

Dortch was the third scorer on that team but was far back of Anstett with 219 and an 8.4 average.

The Catholic school in recent years has been making a bid to enter big time competition and this year it will play Oregon State and Seattle as well as the University.

IM Bowling League To Begin Today

SU Recreation Director Bob Ackerman has announced that the winter term Intramural bowling leagues will commence January 8.

Information from the PE department indicates that 43 teams have shown a desire to enter competition this year. Only a small fraction, however, have notified the recreation desk in the basement of the SU to confirm their entries.

All IM managers who have not done so, should contact the recreation desk immediately in person or by phone (Ext. 1815) to verify their team's entrance and indicate their preference of bowling time.

Leagues will be conducted on Tuesday, Wednesday and Thursday evenings at 6:30, and on Saturday at 10 a.m.

Games Tournament

Entry blanks are now available at the SU Recreation Desk for the all-campus games tournament.

Games to be played include table tennis, pocket billiards, and billiards. The competition will end on January 18. The campus champion will then be awarded a trip to Berkeley, California, to compete in the Region 11 tournament.

All interested persons are asked to fill out an entry blank as soon as possible. Further information may be obtained by calling the recreation desk (Ext. 1815) or by contacting the person on duty at the desk.
