"Registering at Zells" is the first happy order of business with most brides-to-be. For Zells can show them the widest, most beautiful selection of "everything they need" in Portland. Over 200 china patterns to choose from . . . 175 different sterling designs . . . 104 of crystal . . . 44 of stainless flatware. And a staff of knowing "Bridal Consultants" who are old hands at helping you decide. Naturally, the service is free. But the pleasure is ours. So tell your mother, and then tell us.
